**SPECIAL STATE ELECTION
JANUARY 19, 2010**

Pursuant to the Selectmen's warrant of November 3, 2009, posted by the Constable on November 4, 2009, the Special State Election was held in Hale Middle School Gymnasium and was called to order at 7:00 a.m.

This Special State Election was held to fill the vacancy created by the death of long-time U.S. Senator Edward M. Kennedy.

After examining the ballot box and finding it empty and in good order, the counter was set to zero. The ballot box was then locked and the keys delivered to the Warden who declared the polls open.

During polling hours, one hundred ninety absentee ballots were opened, recorded and cast into the ballot box. There were eight spoiled ballots. There were nine provisional ballots. The polls were declared closed at 8:00 p.m. There were 3409 total ballots cast. Voter turnout was 73%. There were 4,658 registered voters.

On January 30th, the last day to receive overseas ballots, the Registrars of Voters opened, recorded and cast four ballots. The totals were added to the election night totals. Total ballots cast in this election were 3413.

The final results of the January 19, 2010 Special State Election as certified by the town clerk on January 30, 2010 are as follows:

Candidates	Election Night Total	Provisional Ballots & Overseas Tallied Jan.30, 2010	Final Total

**ANNUAL TOWN MEETING
MAY 3, 2010**

Pursuant to the Selectmen's warrant of April 6, 2010, posted by the Constable on April 21, 2010, the Annual Town Meeting was called to order at 7:00 p.m. in Hugh Mill Auditorium at Hale School by Deputy Moderator Gary Horowitz.

The meeting rose for an invocation delivered by Dr. Horowitz, who then led the gathering in the *Pledge of Allegiance to the Flag*. Town officials were introduced: Selectmen, Town Clerk, Assistant Town Clerk, Town Counsel, Town Administrator, Selectmen's and Administrator's Administrative Assistant, Finance Committee and others. Several non-voters who may be heard during the course of the meeting were approved.

Moderator Horowitz recognized several persons who passed away in 2009 after long tenure. He also recognized persons who will or have left service to the town or the school district.

On motion of Selectman Stephen Dungan, it was voted unanimously that the reading of the warrant and return of the constable thereon be waived but made a part of the record of this meeting, and that the Moderator be permitted to refer to each article by subject matter instead of reading each article in its entirety.

ARTICLE 1. Town Officers Not Elected by Ballot

On motion of Selectman Laura Spear, it was voted unanimously that the members of the Board of Selectmen be elected to serve as Field Drivers for the ensuing year.

ARTICLE 2. Reports of the Selectmen and Other Officers and Committees

On motion of Selectman Ellen Sturgis, it was voted unanimously that the reports of the Selectmen and other Town Officers, Boards, Committees and Commissions be accepted as printed in the Town Reports of 2008 and 2009.

ARTICLE 3. Reports of Special Committees

On motion of Selectman Stephen Dungan, it was voted unanimously that the reports of the special committees be accepted as printed in the Town Reports for 2008 and 2009.

At this point, Finance Committee member Christopher Sarno presented an overview of the Town's financial position, reporting that the Town is in relatively good shape. The Fiscal 2011 budget can be balanced without the necessity for a Proposition 2-1/2 override vote. He reviewed some of the capital requests to be funded by various means. While the Town is doing well in the short term, there will be changes over the long term with impact of the Center-Pompositticut School addition and renovation project.

ARTICLE 4. Wage and Salary Schedules

On motion of Selectman Kathleen Farrell, it was voted to amend Article 11 of the General Bylaws of the Town, Personnel Administration, by deleting from Section 20.h. the existing salary Schedules A, B, C, D and E, and inserting in place thereof new Schedules A. B, C. D. and E, as printed in the warrant.

The Finance Committee was in favor.

ARTICLE 41. Rescission of Prior Votes re Red Acre Road Land Purchase

On motion of Selectman Laura Spear, it was voted unanimously to rescind the votes taken under Articles 35 and 36 of the Stow Annual Town Meeting of May 19, 2003 to use Community Preservation Act funds to purchase a certain parcel on Red Acre Road for Open Space and Affordable Housing; specifically, to see if the Town will rescind actions taken under Article 35 to appropriate and transfer \$300,000 from the town Community Preservation Fund (CPF) to purchase open space and return \$60,000 to the Stow CPF Open Space Reserves and return \$240,000 to the Stow CPF unreserved fund; and further to rescind actions taken under Article 36 to appropriate and transfer \$100,000 from the town CPF for affordable housing and return that amount back to the Stow CPF unreserved funds.

The Finance Committee was in favor.

Robert Wilber, chair of the Community Preservation Committee, presented an overview of the Community Preservation funds that are designated for affordable housing, historic preservation and open space and recreation. He reviewed the projects that have been supported by CPC funds, one of which is the Stow Community Park off Old Bolton Road that was recently opened.

Report of Community Preservation Committee re Articles 41, 42, 43, 44 and 45:

The Community Preservation Committee voted on April 14, 2010 to endorse Articles 41, 42, 43, 44 and 45, as printed in the warrant.

ARTICLE 42. Stone Wall Restoration at Lower Village Cemetery

On motion of Selectman Ellen Sturgis, it was voted unanimously to appropriate and transfer the sum of \$20,000, or any lesser sum, from the Community Preservation Fund Reserve for Historic Preservation purposes, to be expended under the direction of the Cemetery Committee, in consultation with the Community Preservation Committee, for the reconstruction and rehabilitation of stone walls at the Lower Village Cemetery.

The Finance Committee and Capital Planning Committee were in favor.

ARTICLE 43. Headstone Restoration at Town Cemeteries

On motion of Selectman Stephen Dungan, it was voted unanimously to appropriate and transfer the sum of \$48,000, or any lesser sum, from the Community Preservation Fund Reserve for Historic Preservation purposes, in accordance with the provisions of Mass. General Laws Chapter 44B, the Community Preservation Act, to be expended under the direction of the Cemetery Committee, in consultation with the Community Preservation Committee, for the reconstruction and rehabilitation of headstones and monuments at town cemeteries.

The Finance Committee and Capital Planning Committee were in favor.

ARTICLE 44. Archaeological Reconnaissance Survey

On motion of Selectman Kathleen Farrell, it was voted unanimously to **take no action** on this article for a town-wide archaeological survey to identify patterns of prehistoric and historic occupants and activity, determine the locations of probable archaeological resources, create archaeological sensitivity maps and establish recommendations for protection of sensitive areas.

ARTICLE 45. Open Space Conservation Restriction

Selectman Thomas Ruggiero moved to appropriate and transfer the sum of \$80,000, or any lesser sum, from the Community Preservation Fund Reserve for Open Space preservation purposes, to be expended under the direction of the Community Preservation Committee for expenses associated with purchasing a Conservation Restriction on property consisting of two parcels on 30.3 acres, more or less, located **near Maple Street and Edgehill Road** in Stow, Middlesex County, Massachusetts, shown on Assessors' Map R-2, Parcels 1B and 19A, such restriction to be recorded at the Middlesex County Registry of Deeds; said Conservation Restriction to limit the use of the land to open space and conservation purposes in perpetuity or for the longest period of time allowed by law; and to authorize the Community Preservation Committee to pursue and the Board of Selectmen and/or Conservation Commission to accept a Conservation Restriction on said property in accordance with statutory requirements.

Discussion ensued. John Beusch of the Stow Conservation Trust spoke to the article and reviewed the history of land purchases by the Trust within the town. The parcel in question had been landlocked, but through the generosity of two property owners an easement was granted for access.

The Conservation Commission was in favor of the article. The Finance Committee and Capital Planning Committee were opposed.

A hand vote was declared inconclusive, whereupon Moderator Horowitz called for a teller counted vote. There were 107 votes, with a two-thirds requirement of 71 for passage. The vote was 82 in favor and 25 opposed. **The motion carried.**

ARTICLE 46. South Acton Road Land Purchase

On motion of Selectman Laura Spear, it was voted unanimously to **take no action** on this article for purchase of 4.98 acres on South Acton Road identified as Parcel R-21-39. Not enough information had been forthcoming.

ARTICLE 47. Senior Tax Relief

On motion of Selectman Ellen Sturgis, it was voted unanimously to accept the provisions of Section 4 of Chapter 73 of the Acts of 1986, as amended by Chapter 126 of the Acts of 1988, and further to act under the aforesaid statutes to increase by 100 percent the amount of property tax exemption granted to persons who qualify for said exemptions under clauses 17, 17C, 17D, 22, 22A, 22B, 22C, 22D, 22D, 37, 37A, 41, 41B and 41C of Section 5 of Chapter 59 of the Mass. General Laws and Acts and amendments thereof or additions thereto, for FY2011.

The Finance Committee was in favor.

ARTICLE 48. General Bylaw Amendment - Affordable Housing Trust

On motion of Selectman Stephen Dungan, it was voted unanimously to amend Article 18, Section 3, Article Fifth, subsection (11) of the Town of Stow General Bylaws by adding the words, "as well as to make loans and grants of money for the purpose of constructing or rehabilitating dwelling units for low or moderate income individuals or families subject to the terms and conditions imposed by the Trustees of the Trust".

NOTE: SCRIVENER'S ERROR

The General Bylaw article and section numbers were transposed and mislabeled in the warrant and in the motion. The article and section of the General Bylaws amended is "Article 3, Section 18, paragraph E (12)".

- (12) to make distributions or divisions of principal in kind, as well as to make loans and grants of money for the purpose of constructing or rehabilitating dwelling units for low or moderate income individuals or families subject to the terms and conditions imposed by the Trustees of the Trust.

ARTICLE 49. Zoning Bylaw Amendment - Flood Plain/Wetland Overlay District

On motion of Selectman Laura Spear, it was voted unanimously to amend the Zoning Bylaw by amending Sections 2.3.8 and 5.1 to read in their entirety as printed in the warrant in subsections (A), (B), (C), (D) and (E) of this article, provided that the first paragraph of subsection (A) shall read:

"Boundary lines outlining the flood plain shall include all lands designated in the following maps and reports. In the event there is a discrepancy in the flood plain boundary designation, the boundary that includes a larger area of flood plain shall apply, and further provided that the amended provisions of Section 2.3.8 and 5.1.2 through 5.1.5 shall become effective on June 4, 2010; and further that non-substantive changes to the numbering of this Bylaw be permitted in order that it be in compliance with the numbering format of the Zoning Bylaw."

A. Amend Section 2.3.8 to read in its entirety as follows:

- 2.3.8 Boundary lines outlining the flood plain shall include all lands designated in the following maps and reports. In the event there is a discrepancy in the flood plain boundary designation, the boundary that includes a larger area of flood plain shall apply, and further provided that the amended provisions of Section 2.3.8 and 5.1.2 through 5.1.5 shall become effective on June 4, 2010; and further that non-substantive changes to the numbering of this Bylaw be permitted in order that it be in compliance with the numbering format of the Zoning Bylaw.

Boundary lines outlining the flood plain of the Assabet River shall be the limits of the Standard Project Flood Modified delineated on the plan entitled "Flood Plains Profiles", sheets 2, 3 and 4 of the Assabet River Technical Report, Department of the Army, Corps of Engineers, dated June 1966 and on file with the Town Clerk.

Boundary lines outlining the flood plain of Heath Hen Meadow Brook shall be the limits of the 100-year design storm flood plan delineated on the plan entitled "Flood Plain - Plan and Profile Heath Hen Meadow Brook, Stow, Massachusetts", by BSC Engineering, Inc., dated February 21, 1975, revised May 2, 1975, and on file with the Town Clerk.

All special flood hazard areas within the Town of Stow designated as Zone A, AE, AH, AO and A99 on the Middlesex County Flood Insurance Rate Map (FIRM) issued by the Federal Emergency Management Agency (FEMA) for the administration of the National Flood Insurance Program. The map panels of the Middlesex County FIRM that are wholly or partially within the Town of Stow are panel numbers 25017C0333E, 25017C0334E, 25017C0341E, 25017C0342E, 25017C0343E, 25017C344E, 25017C0353E, 25017C0354E, 25017C0361E, and 25017C0363E dated June 4, 2010. The exact boundaries of the District shall be defined by the 100-year base flood elevations shown on the FIRM and further defined by the Middlesex County Flood Insurance Study (FIS) report dated June 4, 2010. The FIRM and FIS report are incorporated herein by reference and are on file with the Town Clerk and Planning Board.

B. Amend Section 5 by adding a new subsection 5.1.2 to read in its entirety as follows:

5.1.2 Floodway Data - In Zones A and AE, along watercourses that have not had a regulatory floodway designated, the best available Federal, State, local, or other floodway data shall be used to prohibit encroachments in floodways which would result in any increase in flood levels within the community during the occurrence of the base flood discharge.

5.1.2.1 Base Flood Elevation Data - Base flood elevation data is required for subdivision proposals or other developments greater than 5 acres, within unnumbered A zones.

C. Amend Section 5 by adding a new subsection 5.1.3 to read in its entirety as follows:

5.1.3 Notification of Watercourse Alteration

In a riverine situation, the Town of Stow shall notify the following of any alteration or relocation of a watercourse:

- Adjacent Communities
- NFIP State Coordinator
Massachusetts Department of Conservation and Recreation
251 Causeway Street, Suite 600-700
Boston, MA 02114-2104
- NFIP Program Specialist
Federal Emergency Management Agency, Region 1
99 High Street, 6th Floor
Boston, MA 02110

D. Amend Section 5 by adding a new subsection 5.1.4 to read in its entirety as follows:

5.1.4 Other Regulations

In Zones AE, along watercourses that have a regulatory floodway within the Town of Stow designated on the Middlesex County FIRMs encroachments are prohibited in the regulatory floodway, which would result in any increase in flood levels within the community during the occurrence of the base flood discharge.

E. Amend Section 5 by adding a new subsection 5.1.5 to read in its entirety as follows:

5.1.5 Reference To Existing Regulations

- The Floodplain District is established as an overlay district to all other districts. All development in the district, including structural and non-structural activities, whether permitted by right or by special permit must be in compliance with Chapter 131, Section 40 of the Massachusetts General Laws and with the following:
- Section of the Massachusetts State Building Code which addresses floodplain and coastal high hazard areas (currently 780 CMR 120.G, "Flood Resistant Construction and Construction in Coastal Dunes");
- Wetlands Protection Regulations, Department of Environmental Protection (DEP) (currently 310 CMR 10.00);
- Inland Wetlands Restriction, DEP (currently 310 CMR 13.00);
- Minimum Requirements for the Subsurface Disposal of Sanitary Sewage, DEP (currently 310 CMR 15, Title 5);

Any variances from the provisions and requirements of the above referenced state regulations may only be granted in accordance with the required variance procedures of these state regulations.

Report of the Planning Board

This article is meant to update the Floodplain/Wetlands Overlay District for purposes of Stow's continued participation in the National Flood Insurance Program.

Subsection A adds necessary language in order to reflect Federal Emergency Management Agency's (FEMA) 2010 Countrywide mapping format. Reference to the 1979 Federal Insurance Rate Map (FIRM) is replaced by the 2010 FIRM.

Subsections B, C and D contain additions that are necessary to remain compliant with the National Flood Insurance Program. This information is contained in the Code of Federal Regulations 44CFR 60.3.

Subsection E contains language recommended by FEMA. The Flood Plain/Wetlands Overlay District Bylaw is part of a federal requirement for communities that choose to participate in the National Flood Insurance Program. However, the state already administers regulations that take care of many floodplain management concerns. Referencing existing regulations is important to ensure that projects have been reviewed under the appropriate state regulations and that variances to the conditions of the bylaw do not erroneously allow variances to state requirements.

During the public hearing residents voiced concern about discrepancies between the FIRM and existing maps and studies referred to in the bylaw, and voiced their opinion that the new 2010 FIRM is

more current and therefore accurate. The Planning Board agreed to consider a future bylaw amendment after the Board has an opportunity to evaluate all of the studies to determine whether or not the bylaw should rely solely upon the 2010 FIRM.

At its meeting of April 20, 2010 the Planning Board voted to recommend that Town Meeting ADOPT Article 49 with the following amendment:

The first paragraph of Section 2.3.8 shall read as follows:

Boundary lines outlining the flood plain shall include all lands designated in the following maps and reports. In the event there is a discrepancy in the flood plain boundary designation, the boundary that includes a larger area of flood plain shall apply.

ARTICLE 50. Transfer to the Stabilization Fund

On motion of Selectman Thomas Ruggiero, it was voted unanimously to **take no action** on Article 50. This is a duplicate of Article 34 in the Consent Calendar.

ARTICLE 51. Balance Fiscal Year 2011 Budget

On motion of Selectman Kathleen Farrell, it was voted unanimously to **take no action** on this article.

ARTICLE 52. Town Election

On motion of Selectman Ellen Sturgis, it was voted unanimously that the meeting be adjourned until the Annual Election on Tuesday, May 11, 2010, commencing at 7:00 a.m. at the Hale Middle School Gymnasium in said Town of Stow and then and there to act on Article 52 for such election of officers as listed in the warrant; and thereafter, at the close of the polls, to dissolve this meeting.

The meeting was adjourned at 10:42 p.m. to reconvene on May 11, 2010 at 7:00 a.m. for the Annual Election.

QUESTION 1: LAW PROPOSED BY INITIATIVE PETITION

Tax on Alcohol

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?

SUMMARY

This proposed law would remove the Massachusetts sales tax on alcoholic beverages and alcohol, where the sale of such beverages and alcohol or their importation into the state is already subject to a separate excise tax under state law. The proposed law would take effect on January 1, 2011.

A YES VOTE would remove the state sales tax on alcoholic beverages and alcohol where their sale or importation into the state is subject to an excise tax under state law.

A NO VOTE would make no change in the state sales tax on alcoholic beverages and alcohol.

QUESTION 2: LAW PROPOSED BY INITIATIVE PETITION

Repeal 40B

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?

SUMMARY

This proposed law would repeal an existing state law that allows a qualified organization wishing to build government-subsidized housing that includes low- or moderate-income units to apply for a single comprehensive permit from a city or town's zoning board of appeals (ZBA), instead of separate permits from each local agency or official having jurisdiction over any aspect of the proposed housing. The repeal would take effect on January 1, 2011, but would not stop or otherwise affect any proposed housing that had already received both a comprehensive permit and a building permit for at least one unit.

Under the existing law, the ZBA holds a public hearing on the application and considers the recommendations of local agencies and officials. The ZBA may grant a comprehensive permit that may include conditions or requirements concerning the height, site plan, size, shape, or building materials of the housing. Persons aggrieved by the ZBA's decision to grant a permit may appeal it to a court. If the ZBA denies the permit or grants it with conditions or requirements that make the housing uneconomic to build or to operate, the applicant may appeal to the state Housing Appeals Committee (HAC).

After a hearing, if the HAC rules that the ZBA's denial of a comprehensive permit was unreasonable and not consistent with local needs, the HAC orders the ZBA to issue the permit. If the HAC rules that the ZBA's decision issuing a comprehensive permit with conditions or requirements made the housing uneconomic to build or operate and was not consistent with local needs, the HAC orders the ZBA to modify or remove any such condition or requirement so as to make the proposal no longer uneconomic. The HAC cannot order the ZBA to issue any permit that would allow the housing to fall below minimum safety standards or site plan requirements. If the HAC rules that the ZBA's action was consistent with local needs, the HAC must uphold it even if it made the housing uneconomic. The HAC's decision is subject to review in the courts.

A condition or requirement makes housing "uneconomic" if it would prevent a public agency or non-profit organization from building or operating the housing except at a financial loss, or it would prevent a limited dividend organization from building or operating the housing without a reasonable return on its investment.

A ZBA's decision is "consistent with local needs" if it applies requirements that are reasonable in view of the regional need for low- and moderate-income housing and the number of low-income persons in the city or town, as well as the need to protect health and safety, promote better site and building design, and preserve open space, if those requirements are applied as equally as possible to both subsidized and unsubsidized housing. Requirements are considered "consistent with local needs" if more than 10% of the city or town's housing units are low- or moderate-income units or if such units are on sites making up at least 1.5% of the total private land zoned for residential, commercial, or industrial use in the city or town. Requirements are also considered "consistent with local needs" if the application would result, in any one calendar year, in beginning construction of low- or moderate-income housing on sites making up more than 0.3% of the total private land zoned for residential, commercial, or industrial use in the city or town, or on ten acres, whichever is larger.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would repeal the state law allowing the issuance of a single comprehensive permit to build housing that includes low- or moderate-income units.

A NO VOTE would make no change in the state law allowing issuance of such a comprehensive permit.

QUESTION 3: LAW PROPOSED BY INITIATIVE PETITION

Lower state sales tax to 3%

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?

SUMMARY

This proposed law would reduce the state sales and use tax rates (which were 6.25% as of September 2009) to 3% as of January 1, 2011. It would make the same reduction in the rate used to determine the amount to be deposited with the state Commissioner of Revenue by non-resident building contractors as security for the payment of sales and use tax on tangible personal property used in carrying out their contracts.

The proposed law provides that if the 3% rates would not produce enough revenues to satisfy any lawful pledge of sales and use tax revenues in connection with any bond, note, or other contractual obligation, then the rates would instead be reduced to the lowest level allowed by law.

The proposed law would not affect the collection of moneys due the Commonwealth for sales, storage, use or other consumption of tangible personal property or services occurring before January 1, 2011.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would reduce the state sales and use tax rates to 3%.

A NO VOTE would make no change in the state sales and use tax rates.

**SPECIAL TOWN ELECTION
NOVEMBER 2, 2010**

(Held concurrently with the State Election)

Pursuant to the Selectmen's warrant of September 28, 2010, posted by the Constable on October 2, 2010, the Special Town Election was held in Hale Middle School Gymnasium and was called to order at 7:00 a.m. The purpose of this Special Town Election was to fill a vacancy on the Board of Selectman with a term expiring May 2012. The election was held concurrently with the State Election, but required separate voter check-in/check-out and a separate ballot. The number of ballots cast differs between the two elections because some voters only voted in the State Election and did not vote in the Special Town Election.

After examining the ballot box and finding it empty and in good order, the counter was set to zero. The ballot box was then locked and the keys delivered to the Warden who declared the polls open.

During polling hours, 193 absentee ballots were opened, recorded and cast into the ballot box. There were three spoiled ballots. There were no provisional ballots. The polls were declared closed at 8:00 p.m. There were a total of 3,361 ballots cast. There were 4,771 registered voters and voter turnout was 70.45%.

On November 12th, the Board of Registrars of Voters met in a properly noticed public meeting and opened the special town election ballots from two Specially Qualified Voters (US citizens living overseas or military whose last place of residence was Stow and are entitled to vote in elections). Final total ballots cast 3,363. The results were added to the election night totals and the Final Totals are listed below.

**SPECIAL TOWN MEETING
NOVEMBER 8, 2010**

Pursuant to the Selectmen's warrant of September 28, 2010, posted by the Constable on October 25, 2010, the Special Town Meeting was called to order at 7:08 p.m. in Hugh Mill Auditorium at Hale School by Moderator David Walrath.

Mr. Walrath reviewed certain town meeting protocols. The meeting rose for a moment of silence followed by an invocation recited by the Moderator who then led the gathering in the *Pledge of Allegiance to the Flag*.

Mr. Walrath nominated Gary Horowitz to serve as Temporary Deputy Moderator. The vote was unanimous in favor. He then announced his appointment of Elizabeth Painter as Assistant Moderator. Both were sworn by the Town Clerk.

Town officials were introduced: Selectmen, Town Administrator, Town Counsel, Selectmen's Administrative Assistant, Town Clerk, Assistant Town Clerk, Finance Committee, Capital Planning Committee, Community Preservation Committee, Planning Board, and Conservation Commission. Several non-voters who may be heard during the course of the meeting were approved.

On motion of Selectman Thomas Ryan, it was voted unanimously that the reading of the warrant and return of the Constable thereon be waived but made a part of the record of the meeting, and that the Moderator be permitted to refer to each article by subject matter instead of reading each article in its entirety.

On motion of Selectman Ryan, it was voted unanimously that no new article, or any section thereof, be considered after ten-thirty p.m., and that as soon as practicable after ten-thirty the meeting be adjourned to 7:00 p.m., November 9, 2010 in this place.

ARTICLE 1. Acceptance of Anticipated Emergency Legislation from General Court

On motion of Selectman Laura Spear, it was voted in excess a two-thirds majority that the sum of One Million Dollars (\$1,000,000.00) is appropriated to pay costs of providing financial and technical assistance to customers of the Assabet Water Company within the Town of Stow, as recently authorized by Chapter 359, Section 128 of the Acts of 2010, which was enacted by the General Court to permit the Massachusetts Water Pollution Abatement Trust (the "Trust"), in concert with the Town, to assist these customers in obtaining potable water and authorized, among other things, said customers to apply for low interest loans to aid in the permitting, construction and operation of drinking water wells and/or the reimbursement of expenditures made in the permitting, construction and operation of drinking water wells, and including but not limited to funds for the costs of wells and treatment and storage facilities and distribution pipes associated therewith; and that to meet this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow said amount through the Trust in accordance with Chapter 111, Section 127B½ and Chapter 29C of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor. Betterments shall be assessed upon the properties of homeowners that obtain loans for this purpose in accordance with the provisions of Chapter 111, Section 127B½ of the General Laws as aforesaid. The Town is hereby authorized to enter into one or more loan agreements with the Trust and one or more project regulatory agreements with the Department of Environmental Protection as may be necessary to obtain funds from the Trust to be used to make the low interest loans described above. The Town, acting through the Board of Selectmen, is also authorized to execute and deliver all other contracts, agreements or certificates as may be necessary to carry out the purposes of this vote.

Selectmen Chair Laura Spear explained that a positive vote will enable residents of the Harvard Acres subdivision to obtain potable drinking water. Assabet Water Company operating within the development will soon file for bankruptcy, as there is no entity willing to take over the existing water system. The special legislation was made possible through the efforts of State Representative Kate Hogan and State Senator James Eldridge to provide loans for well drilling at a low interest rate. The loan from the Trust to the Town is at zero interest for a twenty-year term. The average cost for a well and associated costs is \$10,000, and it is expected that 60% of those residents may apply for a loan with a ten-year term. A loan will be represented by a lien on the property. Repayment will be accomplished through the quarterly real estate tax billings. The 2% interest applied to the loans is intended to cover the Town's administrative costs. A loan will be available to any homeowner who dug a well after May 2010. The loan program will be administered by the Board of Health through the Town Administrator.

Jamie Monat, chair of the Harvard Acres Water Board, spoke in favor of the article as a method of providing funding to those who do not have the means to afford the expense.

The Finance Committee was in favor of the article.

Temporary Deputy Moderator Gary Horowitz assumed the gavel for the following article.

ARTICLE 2. Transfer and Authorization of Deer Field Lane Parcel

On motion of Selectman James Salvie, it was voted in excess of a two-thirds majority, as amended, pursuant to Mass. General Laws Chapter 40, Section 15A and other applicable law, to authorize a portion of the real property currently under the care, custody and control of the Board of Selectmen for use as open space and recreational purposes and located at Deer Field Lane, Stow, Massachusetts, Assessors' Parcel ID U11/039C-1, said real property consisting of 13.45 acres, more or less, be used in conjunction with the development of a public water supply, including, but not limited to, authorizing the Board of Selectmen to enter into a long or short term lease of all or a portion of said parcel for the purposes of development of a public water supply and including the grant of approval to construct and install all surface and subsurface infrastructure and equipment necessary for the development of a public water supply, such plans and programs for the development of the public water supply and/or lease of said land for the purposes of developing a public water supply to be determined and carried out by the Board of Selectmen; and further, that the Board of Selectmen are empowered to take any steps required by law to obtain approval for the use of said real property for the above described purposes, provided however, that prior to commencing any of the activities or actions described above, the Board of Selectmen or their designee shall file a petition with and receive approval from the General Court or other agency of the Commonwealth pursuant to guidelines, if any, established by the Commonwealth to modify the terms of the conservation restriction running with said parcel and/or the restrictions imposed by operation of Article 97 of the Massachusetts Constitution to provide for the uses authorized by this motion.

The Finance Committee was in favor of the article.

Selectman Laura Spear reported that attempts have been made to obtain a water supply for the Lower Village. Several business owners are unable to expand or make improvements because of lot limitations and DEP regulations. The subject parcel may be the most feasible source. The intent is not to develop a municipal water supply, but rather a public water supply defined by one that services fifteen or more locations. Several steps are required before this parcel could become a potential water supply. An amendment of the existing conservation restriction is to be filed by the Conservation Commission to the State. A public hearing before the Planning Board is to be held to amend the special permit for its subdivision approval of the Deer Field Lane development. Thereafter a home rule petition is to be approved by the legislature.

In response to a question about how long the process may take, Town Administrator responded the matter could appear on the May Annual Town Meeting warrant if a potential operator came forward. The Conservation Commission had voted unanimously to amend the conservation restriction and felt the proposed use was compatible with the conservation value of the property. It is anticipated that the existing trails would be maintained.

Ernest Dodd moved to amend the original motion to omit authorizing the Selectmen to "sell or" enter into a long or short term lease or for the "sale" of said land. Discussion ensued. The Finance Committee was not in favor of the amendment. Comment was made that a sale with conditions could be negotiated. When put to a vote, the motion to amend was carried by majority.

Discussion on the main motion, as amended, continued. Town Administrator stressed that a positive vote authorizes the Town to negotiate a lease to a private water company. The Town could become a customer, but not an owner. The vote is only to allow the initial process to go forward.

At 8:48 p.m. there was a call for the question. When put to a vote, the motion, as amended, carried in excess of a two-thirds majority.

Moderator David Walrath returned to the lectern for the remainder of the meeting.

ARTICLE 3. Engineering Design Funds for Assabet River Rail Trail on Track Road

On motion of Selectman Stephen Dungan, it was voted unanimously to approve the expenditure of and appropriate and transfer the sum of \$46,000.00 for the Town's share of the cost to design to requirements specified by the Massachusetts Department of Transportation and those imposed by the Stow Board of Selectmen, if any, on a regional basis with the towns of Maynard and Acton, with Acton managing the program, a portion of the Assabet River Rail Trail from the Stow/Maynard town line to Sudbury Road, said monies to be transferred from the Open Space and Recreation Community Preservation Fund balance.

The Finance Committee was not in favor of the article as it was felt there were many unanswered questions.

Donald Rising, as representative to the Assabet River Rail Trail Committee said that this portion is 1.9 miles long from Sudbury Road to White Pond Road on the former railroad bed. The requested funds will begin the \$230,000 design phase. The amount in the article represents Stow's 20% share.

Robert Wilber, chairman of the Community Preservation Committee, reported the committee voted to approve the transfer of funds for this purpose. It was noted the Town has already expended funds to purchase an easement on the property.

Report of the Community Preservation Committee: On September 27, 2010 the Community Preservation Committee voted unanimously to place article 3 on the warrant. On November 1, 2010 the committee voted unanimously to increase the amount from \$45,000 to \$46,000 and recommend the amendment to special town meeting.

ARTICLE 4. Change in Hours for Service of Alcohol in Restaurants

On motion of Selectman Charles Kern, it was voted in excess of a two-thirds majority to accept the provisions of Section 33B of Chapter 138 of the Massachusetts General Laws to allow the Board of Selectmen (Local Licensing Authority) to expand the hours when restaurant liquor license holders may sell alcoholic beverages.

Mass. General Laws Chapter 138, Section 33B

The local licensing authority of any city or town which accept this section may authorize licensees under section twelve to sell alcoholic beverages between the hours of 10:00 a.m. and 12:00 noon on Sundays, the last Monday in May and on Christmas day or on the day following when said day occurs on Sunday.
