

**Town of Stow**  
**Bose Volunteer Proposal Form**

Send Proposals to Maureen Trunfio  
 Board of Selectmen's Office  
 380 Great Road  
 Stow, MA 01775  
 Selectmen@stow-ma.gov

As part of the Bose Corporation's effort to engage with communities in which they work, the company offers employees up to eight hours of paid volunteer time annually. To better publicize opportunities, the Town of Stow has offered to compile a list of volunteer opportunities from various Town Departments and local organizations for consideration by Bose volunteer teams. While a wide variety of ideas may be submitted, projects that meet the following three criteria are most advantageous to Bose employees:

- Projects that offer the opportunity for volunteers to work in groups or teams
- Discrete or finite tasks to be completed within up to three days
- Tasks or projects that take place during the work week

\*Please fill out one form for each project idea.

**Contact Information** (Project Leader / Volunteer Coordinator)

Department/Organization
