Arson Awareness Week May 6 - 12, 2012: Prevent Youth Firesetting

May 6 - 12 is Arson Awareness Week. This year's theme is Prevent Youth Firesetting.

During the month of May, the United States Fire Administration will focus public attention on the importance of a collaborative effort with fire and emergency service departments, law enforcement, mental health, social services, schools, and juvenile justice to help reduce the occurrence of juveniles engaged with fire.
