Selectboard members present were: Cortni Frecha, Chair, and members: Megan Birch-McMichael, Hector Constantzos, John "JT" Toole and Ingeborg Hegemann Clark.

Discussion/Vote: Thomas Ryan expressed his support of appointing Cindy Cummings to the Board of Assessors. Ms. Cummings has previously attended a Board of Assessors meeting and understands the duties and necessary coursework that the position requires. Mr. Ryan informed the Selectboard that members have one year to complete the required coursework. A member may participate in setting the tax rate when they have completed course modules zero and four. Leonard Golder stressed the importance of having a full three member board to ensure acceptable voting practices. Mr. Golder also explained that having a three-member board is critical to the tax rate setting process.

JT Toole made a motion to appoint Cindy Cummings to the Board of Assessors, 2nd by Megan Birch-McMichael, motion unanimously passed.
