2024 Permitted Waste Haulers

Any waste hauler who wants to operate in the Town of Stow must be permitted by the Board of Health. Permits are issued for the calendar year, with applications due on Dec. 1st of the previous year. Haulers who begin mid-year should apply before they begin to operate in Town. The Board reviews complete applications as they arrive; renewal permits will be issued by Feb. 1st of the permit year.

The following waste haulers have received permits to work in Stow in 2024. Companies are listed in alphabetical order.
