

## **Inside Assabet River Wildlife Refuge aka The Sudbury Annex**

### **Bound #10**

Inside Wildlife Preserve, on White Pond Road, 75 feet beyond fork where Puffer Road or Old Lancaster Road turns toward Sudbury. Cut granite stone marker, 6 ½ ft tall by 12"x12", 7 ft from Westerly side of Road. Large stone in fork of road is not the bound. About 100 feet north from gate. "Gate" refers to new square tube gates installed by Fish & Wildlife. Not the chain link fence near Track Rd. (see plan C))

Waypoint      White Pd Rd.   BND10              N42 25.199   W71 28.419

Found 10/27/85, 10/29/98, 4/30/05 (covered w/ black plastic bag tot prevent paint from running 4/05)

### Bound #11

Proceed southerly from North Gate (see "Gate" above) to first road to left leading to previously mentioned Old Lancaster Road or Puffer Road. 200 feet north of "open area" (with old pavement drive ways). 6"x6" Square bound 3ft tall, 10 ft from northerly side of road, at end of small stone wall, 300 feet east of junction with Old Lancaster Road. (see plan B)

Waypoint Puffer BND11 N42 25.002 W71 28.392

Found 10/29/98, 4/30/05

### Bound #12

Proceed on Old Lancaster Road to next road on right which is Rouse's Lane. Vertical flat stone on westerly side, in middle of stone wall along road, about 200 feet northeast from "open area", 22 yards NE of stream. Road is very overgrown. Look for 'street trees' as indication of where road was once located. (see plan B)

Waypoint      Rouse Ln      BND 12      N42 24.781    W71 28.324

Found 10/29/98, 4/30/05

Bound #12 as viewed from the North East – Maynard side(Photo by Ross Perry 4/30/05)

### Bound #13

Sudbury-Maynard-Stow corner. Continue south on hard road from bound #12 to Bunker #314. Follow old railroad bed past #312, 308, 305, and bunker #301. Bound is southwest along track about 200 yards to first curve in track. Flat top stone, ground level, within old road bed. Old broken bound beside track. Bound is about 75ft NE from bound old wooden shed. Better reached from Main (South) Gate. Cross black top road and take dirt road/old RR track past #301 bunker, .47 mile from Main Gate. (see plan E)
