After reviewing the file Glenn suggested I get back with the copying company, and find out how we would be able to make the needed changes.

**Members Open Discussion:** The Committee was interested in how the spring cleanup was progressing? \*GH\* reported that the Memorial Day parade route was in fine shape and Lower Village was presentable. Because fall cleanup was not completed at both Hillside and parts of Brookside, spring cleanup would have to be completed at a later time. It was noted that the full parade was not going to be held again this year because of the Covid restrictions.
