Re: **Abbreviated Notice of Resource Area Delineation**
Athens Street

Dear Members of the Commission,

On behalf of our client, Habitech Acquisition and Permitting Trust, a revised Abbreviated Notice of Resource Area Delineation Plan has been provided with the following changes:

Sheet 1

- a. The wetland line from wetland flag GC 100 has been extended to the property line.

Sheet 2

- a. The existing culverts are now shown on the plan.
- b. The flagging around these culverts has been adjusted and revised after additional site visits in the field.
- c. The breakout flags are now labeled as "location of surface flow of hillside seepage."
- d. The MAHW flags have been updated around flags MAHW 27-31.

We thank you for your attention to this matter. If you have any questions regarding this matter, please feel free to contact our office.

Respectfully,

Stamski and McNary, Inc.

Daniel Carr, P.E.
