Hello Valerie,

As per the boards request, I had a phone conversation with Peter Melone this morning regarding use of their Hal road. As anticipated, Melone & Sons will not permit anyone else on WPR to use their haul road.

Hi Chris,

Received, thank you. With your appointment with the Conservation Commission on January 16, may I suggest that the Planning Board public hearing is continued to January 9?

Thanks,
Valerie

Valerie,

Per our conversation earlier, as we have not received written comment back from Places, Inc. We would like to request a continuance for tonight's meeting (12/5) to the next available meeting in order to properly address any further comment from the Peer Reviewer.

Sincerely,

Chris
