Hi Jen,

Sorry to pester on this, but I really need written confirmation that you are still interested in serving on the Lower Village Revitalization Committee for the Board to reappoint you tomorrow night. I wouldn't be hounding so much if you hadn't expressed continued interest to Jesse and myself on Thursday.

Best,

Malcolm

Hi Jen,

I recall you told Jesse and I that you are still interested in serving on the Lower Village Revitalization Committee. Would you mind confirming that in an email response so I can include that in the Planning Board's meeting packet for this upcoming week?

Thanks!
