Hi Jesse and Malcolm,
I'm definitely interested in staying on the committee moving forward; I just have to see how all of the liaison assignments shake out once the election is all done. I'll let you know!
Best,
Megan

PS: if you can use my town email: mb-mcmichael@stow-ma.gov moving forward that would be great!

Hi all,

Just wanted to introduce Malcolm Ragan to anyone here who has not yet met him! Malcolm is our new Assistant Planner and GIS Administrator and has done nothing short of hit the ground running since he started late this winter.

As a reminder, this next year will be an important one for the LVRC. Later this spring the consultants working on the rezoning effort will be providing their recommendations as to updating the zoning in Lower Village and we will be discussing the details over the summer.

Thank you!
