Hi Patricia,

I have copied our Building Inspector here and will be in touch with the owner. I believe the hours are 7:30 – 5:30pm. We will again convey. Please know that when it comes to construction activity it is a constant back and forth between multiple contractors, the Town, developer and so on. With all the sub-contractors on a site we are constantly reminding and reinforcing the terms of the Permit.

Best,

Hello,

I just wanted to provide you an update that the cistern at Forest Road and Joanne Drive is expected to be installed this week. I am hoping that brings an end to the ongoing disturbance.
