Randall Library LEGO WeDo 2.0 Kit & Accessories Lending Agreement

(Voted on and Adopted 7/11/2018)

The Randall Library's LEGO WeDo 2.0 Kit and Accessories can be checked out or placed on hold by Stow Library card holders 18 years or older. Due to possible risk of injury to both the child and to the equipment a legal guardian agrees to accept financial and physical responsibility for the device when it is used by a child under the age of 18.

Patrons wishing to check out the device must have a valid Stow library card which does not have fines exceeding \$10.00, and must present a valid photo ID at time of checkout. Patrons must read and sign the LEGO WeDo 2.0 Kit and Accessories Borrowing Agreement before checking out the equipment.

The kits can only be checked out again for up to one week at a time. IF there are no other holds on the device they can be renewed by a library staff member and only when the device has been returned to the Randall Library circulation desk so that library staff can verify that all the parts are included and in working condition. Renewals cannot be done remotely.

Use of devices for library programs and services takes first priority.

Return of the LEGO WeDo 2.0 kit must be made directly to the Randall Library circulation desk and must take place by 10:00am on Saturday in time for the Library's Robotic LEGO Club meetings. The Kit cannot be put in the library's book drop or sent via interlibrary loan between any of the other Minuteman member libraries to the Randall Library.

Borrowers must sign a LEGO WeDo 2.0 Kit and Accessories Borrowing Agreement **each** time they borrow a device.
