

Historical Commission Fund Request

Article 52

West School

- The West School Building is one of Stow's remaining one room schoolhouses built in the 1825.
- These funds would be used to add the West School to the National Historic Registry.
 - ❖ We have had programs in the past for the school children and held open houses and programs for the public.
 - ❖ Once on the Registry it would be eligible for grant and preservation funds.
 - ❖ The historical consultant would go to Massachusetts Historical Commission for approval and take it to the National Historic Registry for approval.
