NOTICE OF PUBLIC HEARING FOR TREE CUTTING

In accordance with MGL Ch. 87, a Public Hearing will be held by the Stow Tree Warden on Friday, April 9, 2021, commencing at 1:00 PM, on State Rd just west of the intersection with Sudbury Rd for the purpose of hearing any objections to the cutting of two oak trees, one approx. 20" in diameter located 20' \pm east of Pole 7, and one approx. 17" in diameter located 13' \pm west of Pole 8, as requested by the Hudson Light and Power Department for the purpose of relocating power lines on replacement poles. The Tree Warden has determined this to be a valid request.

Objections may be submitted at the hearing, sent to the Highway Department at the address shown above, or emailed to the Tree Warden prior to the hearing. Objections must be in writing and must be received by the Tree Warden prior to the close of the hearing in order to be valid.

The Tree Warden can be reached by email at bruceefletcher@verizon.net, at the mailing address shown above, or by phone at (978) 430-6359.
