Dear Karen:

I am pleased to enclose an application to the Zoning Board of Appeals for a Special Permit and a Petition for Variance for proposed work on our house at 9 Assabet Street. I look forward to discussing this request at the next available ZBA date in September. Also enclosed are a stamped plot plan, front/side/rear views of the proposed work, abutters lists for Stow and Maynard, and a check made payable to the Town of Stow for \$484.

Please let me know if you have any questions about this application and petition, or there is anything else I can do to facilitate the Town's review.

Sincerely yours,
