

TOWN OF STOW

RFQ FY23-01-01H

Addendum #2

Notice to All Prospective Bidders/Quoters

Addendum #1 RELEASED (August 16th, 2022)

Qualifications Due By: Tuesday, August 30th, 2022 at 12:00PM
Written Questions Due: Monday, August 22nd, 2022 at 2:30PM

The following changes are made to the documents RFQ FY22-01-01H:

1. No changes are being made at this time.

Questions Received by this office and answers to the questions provided:

1. **Q:** Question about the On-call Engineering RFQ. Section 3 asks for a separate price proposal worksheet but we believe a scope of work has not been identified as part of this submission. Are you looking for a general rate table, is the fee table necessary, or is the Town looking for something else?

A: A general rate table is needed to meet the requirements of this project's funding, as some of the projects involved will use federally funding (WRAP). Please complete a general rate table for any member, loaded or unloaded, that might be involved in a project the town could ask for guidance on.
