STOW COA TRANSPORTATION SERVICES

The Stow COA is happy to provide low-cost transportation services to Stow residents 60+ and persons of any age with documented disabilities. Individuals with temporary disabilities must provide documentation of their eligibility for transportation services such as a letter from a medical or behavioral health provider; this temporary disability documentation must be renewed every 6 months.

Our complete transportation service policy is provided herein. Please be aware our most current policy is available on our website as revisions to this policy may be made from time to time. Residents can also contact the COA and request a copy be mailed to them if they do not have access to a computer. Riders will be required to sign an acknowledgement indicating their receipt and review of this policy.

The COA reserves the right to deny passengers rides if there are breaches of the following policy.

SERVICES

Transportation must be within our service area and originate in Stow (or return to Stow if it's a return trip only). Our service area is Acton, Bolton, Boxboro, Harvard, Hudson, and Maynard. Service is also provided to medical destinations in Concord, Marlborough, and Sudbury. Transportation services include but are not limited to:

- rides for grocery shopping, drug store, bank, meal site and COA programs
- rides to and from medical appointments in Stow and our service area (see list above)

FEES

The fee per trip is as follows:

- Meal Site, Food Pantry, COA office - Free
- Trips within Stow - \$2 one-way or round trip
- Out-of-town rides (see service area list) - \$3 one-way or round trip

When at all possible, van fees (see above) should be paid by check made payable to the “Town of Stow.” These payments can be given to the driver. Payments can be made daily, weekly, or monthly. Payments can also be mailed directly to the COA at 509 Great Road, Stow, MA 01775. If a resident has difficulty paying this fee, he or she should contact a member of the COA outreach staff for a confidential discussion.

IMPORTANT INFORMATION

- Transportation services are available Monday through Friday, except for holidays and other dates we are closed. For a list of holidays please visit our website at <http://www.stow-ma.gov>.
- Medical, employment, and caregiver related rides have priority. Other rides are provided based on availability. An individual may be limited in the number of rides per day or per week they can book.
- A single ride is from pick up location to destination drop off. Any additional stops are considered additional rides. For example: a trip from home to a doctor’s office not in Stow (\$3), then Shaw’s (\$2) and then returning home is considered 2 trips ($\$3 + 2 = \5).
- Van pick-ups start at 8:30 AM, with the last pick-up to return home no later than 2:30 PM.
- Passengers must be ready 15 minutes before their scheduled pick-up times as we may need to accommodate more than one rider.
- Passengers must be punctual at pick-up time. The COA reserves the right to leave after waiting 5 minutes for any individual passenger so as not to make other passengers late. The driver will call the COA office to report the “no show.”
- Our transportation service is pick-up and drop off only. Passengers riding the van must be able to get on and off the van independently or must bring an escort to assist them. If the passenger requires assistance in any way this must be communicated when making the reservation so any necessary accommodations can be made in advance. There is no additional fee.
- Our drivers must follow their assigned schedule and are not allowed to make last-minute changes to accommodate passenger requests. If riders need to make multiple stops during a single transportation appointment, they should provide that information at the time the reservation is made so that we can schedule accordingly.
- Passengers must provide the best phone number where they can be reached while using our transportation services. The COA must have a way to reliably reach riders by phone to provide transportation services.
- Emergency information must be on file at the COA for passengers riding on the van. Further, it is the passenger’s responsibility to have on their persons a

pocket size “File of Life”. Blank pocket size “File of Life” folders are available from the COA.

- Passengers should call the COA when ready to return home. Please be sure to speak with a staff member as we cannot always retrieve voice mail messages immediately.

RESERVATIONS

- Reservations can be made well in advance but must be made no later than noon the business day before the ride is needed.
- To make a reservation, please call the COA at 978-897-1880 between 8 am and 12 pm Monday through Friday.
- Riders must speak directly with the Transportation Coordinator (or designee in their absence) to make a reservation. **Do NOT leave a voicemail** to make a reservation as it will not be booked.
- Remember -- when scheduling a ride for Monday, riders must call by 12 noon on Friday to make a reservation.
- Please have the exact street address as well as the destination name and phone number when making a reservation.
- All riders are responsible for reserving and canceling their own rides unless a designated representative is on file with the COA. Friends and family may not book or cancel a ride on behalf of anyone else.

CANCELLATIONS

- Cancellations must be made by noon the day before the appointment date, or they will be considered “late cancellations.”
- Repeated late cancellations may result in losing transportation privileges.
- Riders with recurring appointments should notify the COA by noon the day before the appointment date if services are not needed on a particular day.

WHEELCHAIR ACCESSIBILITY

The COA has a wheelchair accessible van (ADA compliant van with wheelchair lift – 500 lbs. maximum) so please let us know if a wheelchair is being used. If a rider cannot propel their own chair to and from the van, they must have an escort to assist them. The drivers cannot provide personal care or extra assistance. Riders must indicate if an escort is or multiple escorts are accompanying them as we need to make sure there is sufficient seating capacity.

PASSENGER/DRIVER PROTOCOL

The COA wants to ensure that all passengers enjoy their rides in safety and comfort. The COA is also committed to ensuring that all passengers are treated with dignity, respect, and impartiality. The COA is similarly committed to ensuring that their drivers are treated with dignity and respect and that they are safe while serving the public. Non-compliance with this protocol may result in losing transportation privileges.

- Passengers must always remain seated.
- In accordance with Massachusetts state law, all passengers are required to use seatbelts. Drivers will insist that seatbelts be worn. If there is a medical reason why a passenger cannot use a seatbelt there must be a letter from their physician.
- Passengers are required to keep buckled in their seats while the van is in motion.
- All passengers must always speak courteously to the driver and other passengers. Any words or acts of intimidation will not be tolerated and may lead to the COA suspending further use of transportation services for the offending passenger.
- There is no reserved seating. Passengers may not claim any seat as their own from one ride to the next. Passengers do not have the authority to exclude seating to another passenger. If there is a seating problem, please bring this to the attention of the driver.
- Passengers must be properly groomed and maintain good personal hygiene at all times as well as be dressed appropriately (e.g., no PJ's or slippers). Passengers must refrain from inappropriately touching other passengers or the driver.

TRIPS OR OTHER OUTINGS

- We are happy to provide a variety of group shopping opportunities and group outings as outlined in the Stow Senior Scoop each month. Residents needing a ride from their homes to the COA must call the COA in advance (by noon the day before the event or the sign-up deadline, whichever is earlier). If riders are attending a group shopping trip or outing, they must return to the van at the designated return time as to not make other riders late.
- If riders are not being picked up at their home, they should meet at Pompo Community Center located at 509 Great Road, Stow. Participants should park in the row closest to Route 117.
- Participants should arrive at least 15 minutes early.
- Riders wishing to cancel must call the COA so the driver will not wait unnecessarily.

ADULT DAY PROGRAMS

- A family member or caregiver must be home when the driver is dropping the rider at home. Drop off can happen as early as 2:45 so a family member or caregiver must be home before that time.
- A family member or caregiver must communicate directly with the COA regarding transportation changes including ride cancellations or time changes as the adult programs will not notify the COA of these changes.

TRANSPORTATION OUTSIDE OUR SERVICE AREA AND TIME

- Volunteers may be available for medical appointments outside our service area or time. Contact the COA for more information. Please note we need at least 5 full business days to secure a volunteer.
- Referrals for other transportation needs outside the scope of the COA transportation services can be provided.

Please note any rider who has difficulty complying with this policy is welcome to meet with COA Executive Director. The COA Executive Director can be reached at 978-897-1880 or coa@Stow-MA.gov.
