

How is that resolution to spend more time outdoors coming along? Here is another walk to inspire you to get outdoors and visit our properties: Track Road

Take a scenic walk along the Assabet River on Track Road. Park at either the southwest end at the parking area on Sudbury Road or at the northeast end in the Assabet River National Wildlife Refuge parking lot at the end of White Pond Road. Track Road is a wide dirt road great for walking, jogging, and cycling. The road also provides vehicle access to privately owned Crow Island, home to an ultralight flying club. Track Road is 1.9 miles long making for a round trip of almost 4 miles with an option to extend your walk into the Refuge.

Happy hiking!
