June 2019

Dear Potential Sponsor,

The Stow Friends of the Council on Aging would greatly appreciate your support in producing our monthly newsletter "The Stow Senior Scoop". Your contribution enables us to print and mail our monthly newsletters to over 3,300 households in Stow and is also made available for out-of-towners at Shaws, Stow Post Office and at the COA. Furthermore, your support will directly influence the Town of Stow's Council on Aging (COA) commitment to providing services such as monthly health and educational and podiatry clinics, weekly exercise classes, providing ongoing outreach services, and socialization through special events. In addition, the COA provides much needed transportation services, such as: doctor's appointments, grocery shopping, errands, etc. to people over 60 and any age with a disability. This past year we provided a total of 6,407 trips covering over 39,962 miles. The Newsletter is an important source of information to this portion of our population. Without it they would not be aware of current events which positively impact their lives, and truly increase the quality of life for those served. None of this would be possible without the support of the Stow Friends of the COA, and businesses such as yours, who advertise in our newsletter. We appreciate your consideration of joining the effort to support a great, and ongoing mission for our seniors, and disabled.

The name of your business will be prominently displayed in our newsletter. The listing will include your company name, address and phone number. Sponsorship period will be from July through June (twelve issues).

Your financial support and your interest in providing services to the residents of Stow are greatly appreciated. Thanks again for your continued generosity.

Sincerely,

Joan Wolfson

Joan Wolfson
Board Member, SFCOA
