

TOWN OF STOW

Town Meeting Handbook

April 8, 2015

Please recycle this *Handbook* for use at future Town Meetings by either keeping it for your future use or by placing it in one of the discard boxes as you leave Town Meeting.

STOW TOWN MEETING HANDBOOK

This new edition of the *Stow Town Meeting Handbook* updates and clarifies some areas since the original 2002 edition, and adds a new section for new Town Meeting participants. It is available online, along other Town Meeting materials at www.stow-ma.gov under "Town Meeting & Election".

The information in the *Stow Town Meeting Handbook* includes the following items:

- Page 3 - An overview of Town Meeting for new members
- Page 4 - Town Meeting Participants
- Page 6 - Stow Town Meeting Tradition – the role of the Moderator
- Page 7 - Voter Etiquette
- Page 8 - Stow Town Meeting Procedures
- Page 12 – Town Meeting Presentations
- Page 13 - Glossary of Financial Terms
- Page 14 - Consent Calendar Procedure

The Moderator appreciates any suggestions for improvement in future revisions.

If you have questions concerning any Town Meeting warrant articles, especially "Consent Calendar" articles in the May Annual Town Meeting, please feel free to contact the appropriate board or official before Town Meeting. If you are unsure who to ask, the Town Administrator, Selectmen's office, or Moderator can help.

If voters wish to debate and especially if they want to amend articles, they should consider preparation before coming to Town Meeting. A voter might only get one or two chances at the microphone on an article.

David E. Walrath, Moderator
May 21, 2012

The open Town Meeting method of local self-government is deeply embedded in Stow's life as a town. The enduring principle underlying Town Meetings is that, though the minority shall be heard and absentees protected, the majority will decide. Whatever the perception of the open Town Meeting, it is difficult to see how citizens can be more perfectly represented than by each registered voter having the opportunity to participate fully and directly in making decisions to:

- Elect the Town's officers, paid and unpaid
- Establish salaries for the town's paid positions
- Vote to appropriate money to operate the Town
- Vote on local statutes, called bylaws

Many such decisions are controlled by the State, such as minimum funding for education under the Education Reform law. But within the limits allowed by State law, the open Town Meeting provides an example of democracy combined with self-responsibility. When we meet as a Town Meeting, we become the legislative body and make decisions that impact all residents of our community. It is not unusual for the vote on an article to be close, therefore a belief that your comments and vote do not count is not valid. Voter's comments during debate can impact the thinking and voting for many voters. Attend Town Meeting, listen to the presentations, participate in the debate, and vote. Our town needs your participation at Town Meeting.

As always, we are interested in your feedback on what works well and what needs improvement at Town Meetings. There will be forms available for you to record your comments as you leave the meeting.

Edward E. Newman, Moderator
May 1, 2002

For New Town Meeting Participants

Welcome to Stow's Town Meeting. This is your chance to make your voice heard and make your vote count.

A Town Meeting is a meeting of the legislative branch of the Town of Stow. Its responsibilities include authorizing borrowing and spending of money by the town, levying taxes, making local laws including zoning bylaws and acceptance of roads as public ways. In Stow's Open Town Meeting form of government, the town's legislators are any Stow voters who come to the meeting – a town meeting is true direct democracy.

Stow has at least one Town Meeting each year in May – called the Annual Town Meeting - for voters to consider the annual town budget for the next year plus other annual financial articles, and usually other items to consider. Sometimes additional Town Meetings are required during a year; these are called Special Town Meetings.

The Warrant

Prior to a Town Meeting, the Selectmen are in charge of assembling and publishing a “warrant” or agenda of articles to be considered at that Town Meeting. The purpose of a warrant is to “warn” or notify the town's voters of what will be discussed at a town meeting. The Selectmen, other town boards, town departments, and groups of voters can submit articles for a warrant. More information on submitting articles is described later in *Town Meeting Procedures*.

The completed warrant is posted in various locations around town to alert voters of an upcoming Town Meeting and its warrant articles. While not required, the Selectmen in Stow normally mail the warrant to voters. Prior to a Town Meeting, the Finance Committee will have a public hearing to get public input on the warrant, and then make recommendations to voters on each article. Other boards, such as the Planning Board, Capital Planning Committee, and Community Preservation Committee will also make recommendations on certain warrant articles.

At Town Meeting

A Moderator is the presiding officer during Town Meeting. A Town Meeting typically begins with the Moderator declaring the meeting open, followed by some introductory procedures and comments. After these preliminary steps, the warrant articles are normally considered in the order printed in the warrant, although the order can be changed. Town Meeting cannot consider subjects not on the warrant.

Normally each warrant article will have one main motion to act on that article. Motions are what voters will actually vote on, and a motion to act on an article may be different from what is printed in the warrant article. Occasionally one article will be split into multiple main motions, and multiple articles can also be combined into one motion (such as the *Consent Calendar* on page 14). In Stow, traditionally the Selectmen read the main motions related to all articles, even if they did not sponsor the article or write the motion.

Voters participate in debate on the motions related to an article by speaking for or against a motion, asking questions, or making related motions such as amendments. Some non-voters also have limited permission to address the meeting. More information on what is expected of voters who wish to participate in debate is in the *Voter Etiquette* section.

When the Moderator calls for a vote, voters will raise normally the colored voter identification card given to each voter at check-in when the Moderator calls for yes or no votes. Usually the Moderator declares whether the vote passed or not, but sometimes a second vote counted by tellers, or a paper ballot, is required. While rare, sometimes a vote may be reconsidered later during that Town Meeting. More information on voting is described in *Town Meeting Procedures*.

A Town Meeting in Stow will continue until action has been taken on each warrant article. A single Town Meeting may have multiple sessions on different days.

If you have additional questions on Town Meeting, feel free to contact the Moderator.

TOWN MEETING PARTICIPANTS

Registered Stow voters (and some non-voters) serve in a variety of roles during Town Meeting:

TOWN MEETING MEMBERS are registered Stow voters who attend any session of a Town Meeting and have registered with the CHECKERS. There is no designated seating for Town Meeting members, except for some town officials listed below. As long as the Moderator and Town Clerk are present, there are enough voters (a quorum) present to start the meeting: see Quorum under *Town Meeting Procedures*.

NON-VOTERS are often present at Town Meeting for various reasons. Like voters, all non-voters must register with the CHECKERS. Members of the press and other non-voters are permitted by the moderator to attend Town Meeting provided space is available. The Regional School District Superintendents and any other non-resident town department heads are always authorized to attend and address Town Meeting. Other non-voters may address Town Meeting with permission of Town Meeting Members – that is, by a vote. Non-voters may not vote and may be required by the Moderator to sit in a designated location or section. More information for non-voters is available in a separate *Information for Nonvoters* document, as well as an *Information for Press* document.

CHECKERS verify that those attending the Town Meeting are registered voters. For each session of a Town Meeting, when entering the Hale School voters and non-voters will first register with the CHECKERS, usually in the gym or cafeteria. The CHECKERS will normally issue registered voters a color-coded Voter Identification Card to be used during all votes to distinguish registered voters from non-voter meeting attendees.

The **MODERATOR**, elected each three years, presides over the Town Meeting using *Town Meeting Time*, Third Edition, by Johnson, Trustman and Wadsworth as the parliamentary rules as provided in the town bylaws. The MODERATOR is located on the stage, behind the lectern. Appointments of a Deputy Moderator, an Assistant Moderator and/or a Temporary Moderator permits the Town Meeting to continue if the Moderator is unavailable or chooses to step aside during a portion of Town Meeting, and to preside at overflow locations (cafeteria or gymnasium) during a Town Meeting.

- A **DEPUTY MODERATOR** is appointed by the Moderator at the annual Town Meeting, with the approval of the Town Meeting members, for a one-year term. The Deputy Moderator presides over the meeting if the Moderator is unavailable, at the request of the Moderator, or at a location remote from the auditorium that serves as an overflow area for voters and non-voters.
- An **ASSISTANT MODERATOR** may be appointed by the Moderator for the Town Meeting session to preside at a location of the meeting where the Moderator is not present (usually gymnasium or cafeteria). The ASSISTANT MODERATOR has all the powers vested by law in the Moderator to preside at and regulate the proceedings in the meeting at which she/he presides, except that she/he may not recognize any citizen desiring to address the meeting without the permission of the Moderator.
- A **TEMPORARY MODERATOR** is elected by the Town Meeting members for that Town Meeting in the absence of both the Moderator and Deputy Moderator and has all the powers vested by law in the Moderator.

The **TOWN CLERK**, appointed by the Selectmen, maintains the official record of Town Meeting proceedings, posts the warrant, and prepares the meeting facility. The TOWN CLERK also coordinates the TELLERS and serves as a timekeeper. The TOWN CLERK prepares the ballot and other material for town elections, and is the town's chief election officer. The TOWN CLERK and any assistant clerks are seated at a table behind the Moderator.

The **TELLERS**, appointed by the Moderator and sworn by the Town Clerk, count the votes if a "teller" or "counted" vote is required. TELLERS have no special seating location. If you are interested in assisting at Town Meeting, please contact the Town Clerk about volunteering as a TELLER.

The **SELECTMEN** are collectively the chief executive of the town, and are a five-member board elected for three-year staggered terms. The **SELECTMEN** prepare the warrant and are responsible for scheduling the date, starting time and location of the Town Meeting, and carrying out the decisions of the Town Meeting. The **SELECTMEN** are seated at the front of the auditorium.

The **SELECTMEN'S ADMINISTRATIVE ASSISTANT** prepares the warrant under the direction of the Selectmen, and is seated with the Selectmen.

The **TOWN ADMINISTRATOR**, appointed by the Selectmen, is the chief administrative officer of Stow and is responsible for preparation of the annual operating budget and a capital outlay program for Town Meeting consideration. The Town Administrator assists the Selectmen by speaking to operational matters of the Town. The **TOWN ADMINISTRATOR** is seated with the Selectmen.

The **TOWN COUNSEL**, appointed by the Selectmen, serves as legal counsel to town officials, boards and committees. At the request of the Moderator, **TOWN COUNSEL** may address Town Meeting to offer an opinion on the legality of proposed bylaw changes as well as other matters in the disposition of the Town's business. **TOWN COUNSEL** is seated with the Selectmen.

The **FINANCE COMMITTEE**, a five-member board with up to five additional associate members, appointed by the Moderator, presents an overview of the financial position of the town, the financial impact of the actions being considered at the Town Meeting, and makes a recommendation on each article included in the warrant after a public hearing. The **FINANCE COMMITTEE** is seated at the front of the auditorium.

The **CAPITAL PLANNING COMMITTEE**, a five-member board, with members appointed by the **MODERATOR**, the **SELECTMEN**, and the **FINANCE COMMITTEE**, make a recommendation on each capital expenditure article included in the warrant.

The **PLANNING BOARD**, a five-member elected board, makes a recommendation to the Town Meeting on all zoning articles. Zoning articles require a public hearing prior to the board voting a recommendation on zoning issues. The report of the public hearing and the vote of the **PLANNING BOARD** are available at Town Meeting.

The **COMMUNITY PRESERVATION COMMITTEE**, a nine-member board, with one member appointed by the Planning Board, Conservation Commission, Historical Commission, Housing Authority, Recreation Commission, Finance Committee, Board of Assessors, Open Space Committee, and Council on Aging. Any article using the town's Community Preservation Act funds must have a favorable recommendation from the Community Preservation Committee before Town Meeting is legally permitted to approve action under that article.

Members of town departments, committees, and school districts with articles on the warrant will normally have representatives available at Town Meetings to answer questions during debate of those articles. All questions are addressed to the Moderator, who will refer the question to an appropriate person to answer.

STOW TOWN MEETING TRADITION

Most Town Meeting procedures are consistent from town to town. However, each town establishes its own local traditions for the conduct of the Moderator and voters at its Town Meetings. Some traditions can evolve into bylaws. Most traditions become routine and carry over from session to session and meeting to meeting without formalized votes or specific bylaws. Since each Town Meeting is a separate and unique opportunity for voters to assemble to conduct the affairs of the Town of Stow, the Moderator has the responsibility of incorporating and adapting these traditions into the conduct of the meeting. Voters have the responsibility of understanding and respecting Stow's unique traditions. Traditions will continue to evolve over time.

Role of the Town Meeting Moderator

Stow voters expect the following of the Town Meeting Moderator:

1. Call Town Meeting to order at the designated location and time.
2. Request action from the floor – for example, request a motion under an article or a second for a motion.
3. Establish time limits for presentations and debate. These are normally:
 - a. Limit presentations by article sponsor to a maximum of ten (10) minutes
 - b. Limit each voter's debate (question, comment) to three (3) minutes per time at the microphone
 - c. Limit presentation of amendments to five (5) minutes
 - d. After each thirty (30) minutes of debate, confirm that additional time for debate is necessary by requesting a motion to “Call the Question” (see page 8).
4. Warn presenters and voters when they are approaching the time limit.
5. Recognize speakers at the microphones: voters who wish to speak use microphones at the front of the auditorium, cafeteria, or gymnasium.
6. Recognize approved non-voters who wish to address the meeting.
7. Permit no one to speak, even to make a clarification, without being recognized. (Except for “Point of Order”; see page 10).
8. Allow speakers to be heard without interruption.
9. Summarize the motion to be voted upon.
10. Call for the vote.
11. State the percent vote required to pass, the method of voting, and the procedure to count.
12. Declare the outcome of a vote.
13. Recess, adjourn and/or dissolve Town Meeting.
14. Rule on matters of procedure, consulting with Town Counsel if necessary. Note that rulings of the Moderator regarding procedure and other matters of conduct at Town Meeting are final.
15. Be consistent and impartial in matters of procedure and rulings.
16. Gather feedback from voters on the Town Meeting process.

Voter Etiquette

The Moderator expects the following from all Town Meeting attendees:

- 1 No beverages or refreshments in the auditorium or gymnasium.
- 2 No smoking is allowed on school grounds.
- 3 Cellphones and similar devices are to be muted or turned off while in a Town Meeting session.
- 4 Applause or other verbal outbursts are not appropriate, except for formal recognition.
- 5 Taking pictures, video or other recording is only permitted within the auditorium, cafeteria or gymnasium with approval of the Moderator.
- 6 Voting: Voters remain seated during a vote and display their Voter Identification Card when a vote is called. No one standing (except tellers) will be counted. No admittance is allowed until the vote is declared. If a paper ballot is called for, a voter is to obtain, mark and deposit the ballot as instructed.

If you wish to take part in debate:

- 1 Voters should stand in line at the microphone(s) for their comments or questions, and await recognition by the Moderator. Exceptions include “Point of Order” (See page 10) and handicapped voters.
- 2 Usually voters may stand at any of the microphones designated for voter use. The Moderator may sometimes inform voters that certain microphones are designated for IN FAVOR or OPPOSED. If a voter is undecided and has a question or neutral comment he/she may stand in either line. The Moderator will normally alternate recognizing voters from each of the two lines.
- 3 Usually give priority to voters in line at the microphones who have not yet spoken on the current motion.
- 4 Clearly state your name and address when recognized by the Moderator.
- 5 Address all comments and questions only to the Moderator, not to other people.
- 6 Each time at the microphone, you should do only one thing, for example:
 - Speak in favor or against the motion
 - Ask a question about the motion
 - Make an amendment or some other motion related to the current motion

If you wish to do multiple things, you must wait in line separately for each.

- 7 Keep within the time limit for questions or comments, which is 3 minutes unless otherwise notified.
- 8 Limit comments, amendments, questions and debate to the current motion under discussion.
- 9 Discuss new information – do not be repetitive.
- 10 Discuss issues, not personalities. It is usually not appropriate to reference other voters by name. Use “the previous speaker” or “a prior speaker” when referring to another speaker.
- 11 Provide any proposed amendments to a motion in writing to Town Counsel and then to the Moderator and Town Clerk prior to making such motion.
- 12 Sometimes the Moderator deviates from these rules – for example, if most voters are speaking against a motion, the Moderator may call on the handful in favor of a motion more often to provide a more balanced debate.

Additional suggestions for voters participating in debate:

- You may have limited opportunities at the microphone. If you want to do multiple things (ask questions, amend the motion, comments) be prepared and prioritize what you want to do.
- If you have a personal interest in an article that you are speaking on – for example, you are an abutter to a parcel being discussed - it is considered polite (but it is not required) to mention that interest.

STOW TOWN MEETING PROCEDURES

The official procedures for Town Meeting are contained in the Massachusetts General Laws (MGL), the Town Charter, the General Bylaws of the Town, and the rules of parliamentary law contained in *Town Meeting Time* by Johnson, Trustman & Wadsworth. A copy of *Town Meeting Time* is available at the Randall Library. Following is a summary of some common motions and other procedures:

Adjourn	<p>At the conclusion of business at a session of a Town Meeting, the Moderator may say, "a MOTION for ADJOURNMENT is in order." The motion, a second and the affirmative vote will ADJOURN that Town Meeting to a specified future date, time and place. A Town Meeting is adjourned between the sessions until action on all articles has been taken, including the annual town ELECTIONS in the annual Town Meeting. When complete, a Town Meeting is not adjourned; it is DISSOLVED.</p> <p>An annual Town Meeting may be adjourned to a date and time following the annual town elections if all articles of the Town Meeting warrant have not been acted upon before the election date.</p>
Amendment	<p>A MOTION to AMEND the current motion under discussion may be made by any voter. It must be submitted in writing for review by the Town Counsel and then the Moderator and Clerk prior to or at the time the motion to amend is made. An AMENDMENT requires a SECOND, and is passed by a simple majority regardless of the vote required to carry the main motion. Only one amendment to a main motion can be discussed at any one time. The amendment must be voted upon before additional amendments can be considered, or before debate of the main motion is again taken up.</p> <p>The Moderator may refuse to accept an amendment for several reasons. For example, if it is not immediately available in writing or is outside of the scope (called the FOUR CORNERS) of the article, a proposed amendment is likely to be ruled out of order and not permitted.</p>
Article	<p>The purpose of each ARTICLE in the WARRANT is to apprise or to "warn" the voters of the subject matter to be discussed at the meeting. The wording of the article is not required to provide all details of the precise action that the meeting will be asked to take. The Moderator may interpret articles in a liberal manner and permit various modifications between the article and the actual MOTION.</p> <p>However, motions must relate to the original intent and purpose of the article printed in the warrant, often referred to as the FOUR CORNERS of the article.</p>
Call the Question or Move the Question	<p>To CALL or MOVE THE QUESTION is a motion to end debate on the current motion. The motion requires a second, is not debatable, and requires a two-thirds vote to pass. The voter making this motion may not interrupt another speaker. As with other motions, in some cases the Moderator may refuse to accept this motion for certain reasons. If the motion passes, the most recent motion under discussion is immediately put to a vote. If the motion to Call the Question fails, debate continues.</p> <p>After 30 minutes of debate on a motion, even if additional voters are waiting to speak, the Moderator will usually pause debate and request if any voter wishes to make a motion to terminate debate.</p> <p>The formal motion to end debate is to "Move the Previous Question". That wording is rarely used in Stow; a motion to "close debate", "end debate" or similar wording is also acceptable.</p>
Consent Calendar	<p>The CONSENT CALENDAR groups a number of articles which past experience suggest will be routine, non-controversial and predictable. These articles are acted upon as a group and without questions or debate. Voters may remove an article from the Consent Calendar and have it returned to its original position in the warrant. See CONSENT CALENDAR PROCEDURES on page 14.</p>

Debate	<p>DEBATE is limited to the current MOTION made under an article or line item within an article.</p> <p>The Moderator expects voters to be civil, avoid repetition, keep remarks brief, and limit discussion to the current motion. Voters may be recognized by the Moderator alternatively by microphone location or by position (in favor/opposed) to provide a balance of viewpoints during the debate. The moderator will try to recognize voters who have not spoken on a motion ahead of any who have already had a chance to speak on the current motion. The Moderator may specify a time limit for debate.</p> <p>Voters should display their color-coded Voter Identification Card and state their name and address when addressing the meeting.</p>
Disorderly Conduct	<p>No person may address the meeting without authorization from the Moderator. If any person, after warning from the Moderator, persists in speaking or any other DISORDERLY CONDUCT, the Moderator may order the person to withdraw. If the person does not withdraw, the Moderator may order the person to be removed from the building.</p>
Dissolve	<p>DISSOLUTION is the final action of any Town Meeting. A motion to dissolve the meeting concludes the business of the meeting. The next Town Meeting must be called by a new warrant.</p>
Elections	<p>ELECTIONS are the final article of the annual Town Meeting warrant. Elections may take place before, after or during the business meeting, depending on a determination by the Selectmen, and in accordance with law. The local Stow offices open for election are listed in the warrant article. Some budget motions may be conditional on a proposition 2½ override ballot vote at the town election.</p> <p>Town elections are held on the Tuesday one week after the start of the annual Town Meeting.</p>
Four Corners	<p>The FOUR CORNERS is a term used to describe the permitted scope of an article that a main MOTION or AMENDMENT for an article must fit into at Town Meeting.</p> <p>The FOUR CORNERS will depend on the type of article, wording of the article, size of any changes from the article to the motion, and other factors. Main motions and any amendments must be germane to the subject matter described in the article printed in the warrant. A MOTION calling for action which is more restrictive or specific than the action contemplated by the warrant article is usually acceptable. A MOTION increasing the action called for by the warrant article to a more general or expansive action is usually not acceptable.</p> <p>Because of the laws governing them, the FOUR CORNERS of Zoning articles and Community Preservation Act articles may be more restrictive than other articles.</p> <p>The Moderator is the authority that determines if each motion is within the FOUR CORNERS of the article as printed in the warrant.</p>
Motion	<p>Each ARTICLE in the WARRANT will have one or more MOTIONS to act on that article at Town Meeting. The motion initially made to act on an article is sometimes called the “main” motion. The Selectmen usually read the main motion related to an article regardless of the article’s actual sponsor.</p> <p>To be in order, the main motion and amendments must fit within the FOUR CORNERS of the article.</p> <p>Besides the main motions for each article, there are also other kinds of motions. Some common motions are listed in this section of the Handbook. <i>Town Meeting Time</i> describes other less common motions. Note that Stow’s Charter, Bylaws and traditions modify some parliamentary motions and procedures in <i>Town Meeting Time</i>.</p>

Point of Order	<p>A voter may interrupt the proceedings and raise a POINT OF ORDER if that voter questions the legality or propriety of the proceedings. If the voter is recognized and the objection is reasonable, the Moderator will take immediate steps to rectify the matter. Like all other issues of Stow Town Meeting procedure, a ruling by the Moderator on any Points of Order is final.</p> <p>Requesting clarification or disagreeing with something that was said is not a valid Point of Order.</p> <p>Pointing out that the moderator called for a vote on an amendment, but then forgot to take the vote on the main motion and moved on to other business is an example of a very useful Point of Order.</p>
Presiding Officer (Moderator)	<p>The Town Moderator, or the Deputy or Temporary Moderator in the absence of or at the request of the Town Moderator, is the presiding officer at Town Meeting. Page 6 lists many of the moderator’s duties, but the underlying role of the Moderator is to move forward the Town's business in an orderly manner and in such a way that the will of the assembled Town Meeting members is clearly expressed for each of the articles printed in the warrant.</p> <p>A Moderator has authority over matters of procedure and decorum, including the power to direct that an offending Town Meeting member or other person, after warning, be removed from the building. Rulings of the Moderator regarding procedure and other matters of conduct of Town Meeting are final.</p>
Quorum	<p>Stow’s bylaws require zero QUORUM at all Town Meetings. As long as the Moderator and Town Clerk are present, the warrant has been properly generated and notice given to voters, a Town Meeting can be called into session regardless of the number of voters in attendance. This enables Town Meeting sessions to always begin at the scheduled time.</p>
Recess	<p>A RECESS means the Town Meeting has not adjourned or dissolved but is taking a break and will continue on the same day.</p>
Reconsideration	<p>A MOTION to RECONSIDER a prior motion is a motion to undo a prior Town Meeting vote. The motion is governed by town bylaw:</p> <p style="padding-left: 40px;">No vote on a main motion made under any article in the warrant shall be again taken into consideration after having been disposed of unless ordered by a vote of two-thirds of the voters present and voting, and no vote on such action shall be taken into reconsideration in any event after the lapse of two hours from the time of the disposition of the vote, time to be measured only while the Town Meeting is in session, unless announcement of intent to reconsider at a fixed place within the warrant, or at a fixed time, is made within the same two-hour period. Once reconsideration of a vote on a main motion under an article has been moved and voted upon, the vote may not again be reconsidered within the same meeting.</p> <p>To be in order, the motion maker must explain to the Moderator’s satisfaction that there is new information that was not discussed in the original debate that makes reconsideration worthwhile. In Stow Town Meetings a voter making a motion to reconsider does not need to have voted on the “winning side” of the original vote for the motion that the voter wants to bring back.</p> <p>A motion for reconsideration requires a second and is debatable.</p>
Resolutions	<p>The Town Meeting may wish to thank a person or group for service to the Town or offer other courtesies. Such expressions may be made through a RESOLUTION. The resolution may be recorded in the minutes of the meeting for history. The RESOLUTION is put to the voters and a vote is taken as a non-binding sense of the meeting. A count of the vote is not taken, since a RESOLUTION cannot be legally binding on the town. No article is needed on the warrant; whether or not resolutions are permitted is at the discretion of the Moderator.</p>

Second	Each motion requires the support of a second voter (a SECOND) prior to any action on the motion. While any voter may second a motion, the Selectmen usually second the main motions for articles.
Sense of the Meeting	Occasionally the Moderator will ask voters to provide an opinion or recommendation on a topic related to the business contained in the warrant. The question is put to the voters, and the vote is taken as a non-binding SENSE OF THE MEETING. This vote is for information purposes only. Therefore, the vote is neither counted nor is the Town Clerk required to record it in the minutes of the meeting.
Take Any Action Relative Thereto	The words “or take any action relative thereto,” or a similar phrase in a warrant article, will usually allow a more liberal interpretation of permitted differences between the article in the warrant and the final motion at Town Meeting (that is, a larger scope or FOUR CORNERS of the article), but should not be relied upon to justify any action that is not reasonably relevant. The words generally allow voters to act on the motion, amend the motion, take no action, etc.
Take No Action	All articles appearing in the warrant must be acted upon before the Town Meeting can be dissolved. The sponsor of an article may make a motion to TAKE NO ACTION, if a change in circumstance makes it unwise or unnecessary to consider the article. This motion requires a majority vote, is debatable, and is considered a negative vote.
Terminate Debate	Debate may end because no voter wishes to be recognized, possibly after a reminder by the Moderator that the discussion is becoming repetitious. Also see "CALL" or "MOVE THE QUESTION.
Test Vote	Whenever a motion requires a four-fifths or nine-tenths vote to pass, the Moderator may so indicate this and may first call for an unofficial TEST VOTE. The purpose of the test vote is to allow the meeting to sense the climate for passage. For these 4/5 and 9/10 votes, the Moderator must declare the vote unanimous or call for an official count. If it is clear that an overwhelming majority favor the motion, abstention by the dissenters when the final vote is taken can provide a unanimous vote and avoid the need for a time-consuming count by the Tellers. The Moderator is permitted to declare a majority or 2/3s vote without an exact count being taken by the Tellers.
Town Meeting Presentation Guide	The Stow Town Meeting Presentation Guide and Presentation Template were developed for the benefit of any town official or voter who prepares materials for presentation at Town Meetings. More information on the Presentation Guide and Template is available from the Town Clerk.
Voter Identification Card	Checkers may issue a color-coded Voter Identification Card to voters when they register for each session of Town Meeting. Voters must display the VOTER IDENTIFICATION CARD to gain access to the auditorium, to address the Town Meeting, and to cast their vote.
Voter Information Table	Documents related to articles discussed at a session of Town Meeting may be made available to voters at the VOTER INFORMATION TABLE which is normally set up near the CHECKERS. All documents provided at the table must clearly identify the associated warrant article(s), and shall include the sponsor's name and address. The sponsor must provide a copy to both the Moderator and Town Clerk prior to the start of the meeting, and should make sufficient copies of the document available for the voters. Only documents related to the articles for the current Town Meeting are permitted on the VOTER INFORMATION TABLE. Individuals and groups are able to distribute other literature to voters on the sidewalk outside the building, whether related or unrelated to Town Meeting business.

Voting	<p>Most articles are decided by a majority VOTE unless otherwise specified by statute or bylaw. A two-thirds VOTE is required for changes to zoning bylaws, for bonding and Proposition 2½ overrides, appropriations to and from the Stabilization Fund, taking of land by eminent domain, and some other votes. There are rare motions when a four-fifths or nine-tenths vote is required.</p> <p>The Moderator will usually call for a hand vote. If Town Meeting members have been issued a color-coded Voter Identification Card by the Checkers, voters raise their hand, displaying the card, when there is a call for a hand VOTE. If the outcome is in doubt, the Moderator will call for an official count of the vote, known as a Teller VOTE, where all votes are counted by Tellers. If seven or more voters immediately question a hand VOTE, the Moderator must verify with a Teller VOTE. Unless declared unanimous by the Moderator, the Tellers must always count four-fifths or nine-tenths votes.</p> <p>A vote may also be taken by paper ballot. If there is a motion, a second, and a majority vote in favor of a paper ballot, or if the moderator chooses to require it, each voter will be supplied with a paper ballot to mark and deposit as instructed.</p>
Warrant	<p>A Town Meeting is called by the posting of a WARRANT at least seven (7) days prior to the annual meeting, and fourteen (14) days prior to a special Town Meeting. At the discretion of the Selectmen, every household may receive a copy of the WARRANT. The WARRANT lists the Town Meeting's starting time, place(s) and agenda (called ARTICLES) to be acted upon by the voters. The warrant for the annual Town Meeting includes, among other business, the budget for the coming fiscal year (July 1st through June 30th).</p> <p>The Selectmen are responsible for preparing the warrant. Articles may be placed on the WARRANT by the Selectmen, town departments or committees, or by a petition signed by any ten (10) or more voters for an annual Town Meeting or by one hundred (100) or more voters for a Special Town Meeting, except when some other number is required by the Mass. General Laws. The only articles that may be considered by a Town Meeting are those articles that appear in the WARRANT. Articles are generally taken up in the order in which they appear in the WARRANT, although there are exceptions (for example, see Consent Calendar).</p>

TOWN MEETING PRESENTATIONS

Sponsors of articles may take up to 10 minutes to present on an article. Other speakers are limited to 3 minutes.

Town officials, voters, and other individuals planning to make a presentation by computer should review Stow's Town Meeting Presentation Guide, available on www-stow-ma.gov under Town Meeting and Elections, also available from the Town Clerk. The guide makes useful suggestions on font size and colors to make your presentation more readable to voters when displayed. All computer presentations must be submitted several days prior to a Town Meeting. For sample presentations, questions, and the due date for presentations, the Town Clerk may be reached at 978-897-4514 ext. 1.

If you have suggestions to improve this Presentation Guide or sample presentations please contact the Moderator, c/o Stow Town Building, 380 Great Road, Stow, MA 01775-2127.

I served with General Washington in the Legislature of Virginia before the Revolution and, during it, with Dr. Franklin in Congress. I never heard either of them speak ten minutes at a time, nor to any but the main point which was to decide the question. They laid their shoulders to the great points, knowing that the little ones would follow of themselves.

– Thomas Jefferson

GLOSSARY OF FINANCIAL TERMS

APPROPRIATION: An authority granted by a legislative body (such as Town Meeting), to make expenditures for specific purposes, that is, to spend money. See *Raise and Appropriate* and *Appropriate and Transfer*.

APPROPRIATE AND TRANSFER: Earmarks funding for a specific purpose by transferring a specified amount from an existing account to another account, and authorizing spending that amount.

EXCESS LEVY: The difference between the LEVY and the MAXIMUM ALLOWABLE LEVY.

FREE CASH - AVAILABLE FUNDS: The amount of Surplus Revenue on July 1st, which is over and above any uncollected taxes from previous years, plus any unexpended free cash from the prior year. Once certified by the State Director of Accounts (usually in the fall), Free Cash is available for use by the Town Meeting.

LEVY: The total dollar amount of property taxes that are assessed to all property owners in the town during each fiscal year. The LEVY is calculated at the beginning of each fiscal year by the Assessors by taking into consideration any and all receipts, spending appropriations from the annual and special Town Meetings, actions approved by voters at the polls, and the State assessments charged to the Town. The LEVY may equal but cannot exceed the sum of the LEVY LIMIT plus debt and capital expenditure exclusions (MAXIMUM ALLOWABLE LEVY).

LEVY LIMIT: The total Levy allowed by Proposition 2½ is 2½% of the full and fair assessed market value of the entire town, or a maximum tax rate of \$25 per thousand dollars of assessed value. Each year, the LEVY LIMIT is calculated by the Assessors using the summation of the following items:

1. The LEVY LIMIT from the previous year,
2. 2½% of the previous year's LEVY LIMIT,
3. 2½% of the assessed value of new construction during the previous year, and
4. Overrides approved by the voters at Town Meetings *and* at the polls.

MAXIMUM ALLOWABLE LEVY: The sum of the Levy Limit plus debt and capital expenditure exclusion(s) approved by the voters at Town Meetings and the polls.

OVERLAY RESERVE: Property Taxes raised by the Assessors in excess of appropriations and other obligations to cover tax abatements and exemptions granted locally or by appeal. This cannot exceed an amount deemed reasonable by the state Commissioner of Revenue.

OVERLAY SURPLUS: Unused Overlay Reserve that reverts to "free cash" at the end of the fiscal year, if so voted by the Board of Assessors

PROPOSITION 2½: A Mass. General Law from 1980 that requires municipalities to limit total property taxes (also called the levy) to a maximum of 2½% of the full and fair market value of the entire town, and to limit the annual increase of the levy limit to 2½% plus the value of new construction ("new growth increase"), unless a majority of the voters approve via ballot one or more of the following:

1. **OVERRIDE**, which allows increasing the levy base above the limits imposed by Proposition 2½ and establishes a new permanent base for the levy; or
2. **DEBT EXCLUSION**, which allows a temporary increase above the limits imposed by Proposition 2½ (including both principal and interest payments) which expire after the debt is paid; or
3. **CAPITAL EXCLUSION**, which allows a temporary increase above the limits imposed by Proposition 2½ for one-year capital expenditures.

RAISE AND APPROPRIATE: Authority to raise a specified amount via taxes and to earmark those funds for a specific purpose, and to expend said monies.

RESERVE FUND: Money set aside by Town Meeting to be allocated under the control of the Finance Committee to fund any departmental expenses during the fiscal year which are extraordinary or unforeseen. The Finance Committee acts as an agent for the Town Meeting, as the town would otherwise need to convene a Town Meeting to vote on the additional funding requests.

GLOSSARY OF FINANCIAL TERMS (cont)

REVOLVING FUND: A mechanism to allow the Town to receive revenues from a specific service and to use those revenues to support that service without Town Meeting appropriation. Massachusetts General Laws impose specific limits on how much and for what purposes such monies may be expended. Certain funds require annual reauthorization of the revolving fund by Town Meeting.

STABILIZATION FUND: A “savings” account to store town funds. Adding funds to or appropriating from the fund requires a $\frac{2}{3}$ Town Meeting vote. Traditionally the Stabilization Fund is used for capital projects or unforeseen expenses, but funds can be appropriated for any valid purpose.

SURPLUS REVENUE: Cash, accounts receivable, and other assets, minus liabilities and reserves. Also known as Unreserved Fund Balance.

CONSENT CALENDAR PROCEDURE

As part of an effort to make our Town Meeting time more productive, and save time for discussion of more controversial issues, the Board of Selectmen and Moderator have implemented the "Consent Calendar".

Each year there are a number of warrant articles at the annual town meeting which past experience suggests **will be routine, predictable and non-controversial**. These articles will be selected for inclusion in the Consent Calendar. The articles in the Consent Calendar will be voted on as a group, with a single vote. The use of the Consent Calendar speeds the passage of those warrant articles which the Selectmen and Moderator, in consultation with Town Administrator and the Finance Committee, believe should generate no controversy and can be reasonably voted on without debate.

The language and any amount of money specified in the articles included in the Consent Calendar as printed in the warrant are subject to change. The motion made at Town Meeting will include any changes.

At the motion for the Consent Calendar, the Moderator will call out the number of each of the articles, one by one. If any voter has doubt about passing any individual article, or wishes an explanation of any article included in the Consent Calendar, the voter should say the word "hold" in a loud voice when the article number is called by the Moderator. The Moderator will then inquire as to whether the request to hold is for a question or for debate. If the purpose of the request is merely to ask a simple question, an attempt to obtain a satisfactory answer will be made. If this occurs, the article will remain on the Consent Calendar. If the purpose of the request was to hold the article for debate, the article will be dropped from the Consent Calendar and restored to its original place in the warrant to be brought up, debated and voted on in the usual way. It is hoped that voters will only remove articles from the Consent Calendar in cases of genuine concern.

After calling the individual articles on the Consent Calendar, the Moderator will ask that all articles not removed be **PASSED AS A UNIT** by a single vote after a brief affirmative main motion is made including all articles, and the printed motions thereunder, remaining on the Consent Calendar.

Please carefully review the proposed articles for the Consent Calendar and the related comments that are printed in the warrant. If you have any questions about the articles included in the Consent Calendar, motions or procedure you are encouraged to contact the Town Administrator (978-897-4514 ext. 51), Selectmens' office, Moderator, or other appropriate town board or official before Town Meeting.
