Stow Acres Country Club is a 326-acre site made up of two 18-hole golf courses, the North Course and the South Course. Over the previous 18 months, the Town of Stow, together with a diverse planning team, has advanced an intensive, multi-disciplinary effort to create a shared housing and conservation vision for the future of the North and South courses of Stow Acres. The effort has resulted in preservation of portions of the Town's largest previously unprotected open space and the advancement of 189 units of mixed-income housing, created with the principles of traditional neighborhood design. The planning effort is a unique public-private partnership, including MCO & Associates, Stow Conservation Trust, the Stow Planning and Conservation Departments, and Stow Acres Country Club. This unified Master Plan approach seeks to advance the interest of all parties.

Together with the Stow Conservation Trust, the Town hired an experienced land planner to help identify how to best utilize portions of the 326 acres to meet varied town and development objectives, including:

- *Diversified housing with a traditional New England architecture, which can help the town meet its affordable housing goals.*
- *Large-scale conservation and ecological restoration of the most-sensitive areas, including protection of the Assabet River and Elizabeth Brook corridors.*
- *Maintaining and creating recreation opportunities, including continued golf, municipal playing fields, and a publicly accessible multi-use trail network.*

The first step toward implementation of the planning effort was the Town's purchase of a Conservation Restriction on the South Course of Stow Acres at the 2021 Annual Town Meeting. The second step was an affirmative vote for acquiring 115 acres of conservation and recreation land on the North Course, with the remaining 60 acres to be developed into 189 mixed income housing units. This acquisition was approved at the Fall 2021 Town Meeting. The two Town Meeting votes have designated \$5,000,000 in local funds to ensure long-term open space for the majority of the Stow Acres site. The current golf course owner will continue to operate nine holes on the North Course for a period of time, while the Town undertakes a master planning effort to further refine the recreation vision.

Throughout the 2021 Town Meeting process, the project vision and housing concepts were supported by the Select Board, Planning Board, Conservation Commission and Finance Committee. MCO and Associates is now starting the formal approval process through DHCD and the various local boards. There will be three separate Comprehensive Permits submitted on the property. This is the first of the three LIP Applications, for 124 single-family homes for sale. The second application will be for 40 rental cottages, and the third will create 25 rental apartments for residents age 62 and above. In total, the Town of Stow will generate 96 units of affordable housing to count towards its SHI and, and importantly, will create a range of housing alternatives and prices to better meet the needs of current and future Stow residents.

For more information, see Appendix VI.A-1 and VI.B-1 of the 40B Guidelines for a list of links to resources and opportunities related to sustainable development.

A. How will this development follow Sustainable Development Principles?
We will utilize low impact development (LID) techniques on site and will promote clean energy principles by using EnergyStar and Watersense products throughout the development. The traditional Neighborhood Development will utilize shared well and wastewater treatment systems to limit overall impacts on the site. We have also concentrated development on approximately 35 acres to keep nearly half the site as open space.

B. How will the project maximize energy efficiency and meet Energy Star Standards? The project will be built in conjunction with the 9th edition of the Mass Building Code and shall comply with Mass Save program requirements. Rated windows, tankless hot water heater, sealed ductwork, added insulation & sealing and high efficiency boilers will be used. Each unit also need to be HERS rated.

C. What elements of "green design" are included in the project (e.g. reduction of energy and water consumption, increasing durability and improving health)?
Low E insulated glass, low flow toilets, "Water Sense" approved fixtures, and LED lighting are all standard in the homes. Appliances will all be Energy Star approved and Low Impact Development (LID) will be utilized to limit environmental disturbance on the site. Vinyl siding & fiber cement board for limited long-term maintenance will be utilized.

PURCHASE AND SALE AGREEMENT

This 29th day of October, 2021 (the "Effective Date")

1. PARTIES

Stow Holdings, LLC, a Massachusetts limited liability company with a usual place of business at 258 Andover Street, Georgetown, Massachusetts 01833

Hereinafter called the SELLER, agrees to SELL and

MCO & Associates, Inc., a Massachusetts corporation with a mailing address of P.O. Box 372, Harvard, Massachusetts 01451 or its nominee(s), as the case may be, as more particularly described in Section 14,

Hereinafter called the BUYER or PURCHASER, agrees to BUY, upon the terms hereinafter set forth in this Purchase and Sale Agreement (the "Agreement"), the following described Land, Improvements, and Appurtenant Rights (collectively, the "Premises"):

2. DESCRIPTION

The land (the "Land") and any and all improvements thereon (the "Improvements"), being part of the North Golf Course, situated on and off Randall Road in Stow, Middlesex County, Massachusetts, containing approximately 70 acres of land, and being approximately shown on a conceptual plan attached hereto as **Exhibit A** (the "Conceptual Plan"), and being a portion of the land more particularly described in a deed to the Seller recorded with the Middlesex South District Registry of Deeds in Book 67309, Page 266, together with any land shown around the proposed water supply wells, which land area is required in order to comply with the Zone 1 Radius regulations promulgated by the Massachusetts Department of Environmental Protection ("DEP") for the protection of the wells used for the Community Water Supply. Seller acknowledges and agrees that the area to be conveyed is subject to engineering and other considerations and accordingly, the acreage and configuration of the land shown on the Conceptual Plan is subject to change, and Seller shall agree to any changes that are necessary to comply with engineering and design considerations and/or to comply with any applicable governmental regulations, provided such changes do not materially increase the acreage subject to this Agreement. Said conveyance shall also include the following (collectively, the "Appurtenant Rights"): all of the Seller's rights, title and interest in and to any street, road, avenue or way, open or proposed, in front of or otherwise adjoining or abutting said Land, together with all rights, privileges and appurtenances thereto, and with the benefit of any and all easements, rights of way, reservations, restrictions and encumbrances of record and also including all of the Seller's rights, title and interest in, to and with respect to any and all utility agreements, if applicable, governmental permits, licenses and approvals (collectively, the

"Governmental Approvals"), engineering plans and data, and any other agreements and rights relating to the Premises. Seller and Buyer shall use good faith efforts to agree upon the definitive boundaries of the Land on or before the Survey Date reflected in the Milestone Schedule attached hereto as **Exhibit J** (the **"Milestone Schedule"**) Seller and Buyer understand and acknowledge that the dates set forth in the Milestone Schedule are Buyer's best estimate of the time that will be necessary to accomplish each of the milestones reflected therein (each, a **"Milestone"**). However, given that most of the Milestones are subject to the completion of work by engineers, municipal boards and other third parties, Buyer cannot guarantee the accuracy of the dates shown on the Milestone Schedule. Accordingly, so long as Buyer is diligently pursuing each of the Milestones and keeping Seller reasonably informed of its progress regarding same, Buyer shall be in compliance with its obligations under this Agreement with respect to pursuing such Milestones and Seller shall have no right to terminate this Agreement due to Buyer's failure to complete any Milestone by the corresponding date reflected in the Milestone Schedule.

3. **PROJECT.**

Buyer is purchasing the Premises with the intent of developing thereon approximately 189 housing units (the **"Housing Units,"** and together with any related improvements, the **"Project"**), which shall be a mix of housing types as follows all as generally shown on the Conceptual Plan:

- i. **"Component 1"**: for-sale single family homes;
- ii. **"Component 2"**: rental cottages; and
- iii. **"Component 3"**: garden style rental apartments for individuals aged 55 and over, with the potential for a clubhouse to be constructed.

4. **SUBDIVISION.**

The Land comprises a portion of Lot G (**"Lot G"**) on a plan entitled "Plan of Land in Stow, Massachusetts" prepared for SCC Associates, Inc. by Acton Survey & Engineering, Inc. dated January 8, 2002 and recorded in the Registry on January 25, 2002 as Plan No. 76 of 2002. Seller and Buyer acknowledge that in order to create conveyable parcels comprising the Land, it will be necessary to subdivide Lot G into four (4) parcels as follows (the **"Lot G Subdivision"**): (i) **"Lot 1,"** corresponding to the portion of the Project comprising Component 1, (ii) **"Lot 2,"** corresponding to the portion of the Project comprising Component 2, (iii) **"Lot 3,"** corresponding to the portion of the Project comprising Component 3, and (iv) **"Lot 4,"** being the remainder of Lot G, to be retained by Seller. Further, Buyer will need to subdivide Lot 1 into sublots sufficient to permit 93 market rate sales to third parties. Buyer covenants that it shall diligently and continuously pursue the Lot G Subdivision and use commercially reasonable efforts to complete same on or before Subdivision Date reflected in the Milestone Schedule (the **"Outside Subdivision Date"**).

5. **TITLE DEED**

- a. Said Premises are to be conveyed by three (3) good and sufficient quitclaim deeds in substantially the form attached hereto as **Exhibit B** (collectively, the **"Deeds,"** being for

Lot 1, Lot 2, and Lot 3 respectively) running to the Buyer, or to the nominee designated by the Buyer by written notice to the Seller at least three (3) days before the Closing Date (as defined in Section 10.a), and said Deeds shall convey a good and clear record, and marketable title thereto, free from encumbrances, except:

- i. Provisions of existing building, zoning laws, ordinances, resolutions, regulations and orders of all governmental authorities, be they municipal, county, state or federal;
- ii. Such real estate taxes for the then current year as are not due and payable on the date of the delivery of such Deeds;
- iii. Any liens for municipal betterments assessed after the delivery of the Deeds.
- iv. Matters created by or with the written consent of Buyer;
- v. The exceptions reflected in the Title Commitment that Seller is not required to remedy pursuant to Section 6; and
- vi. Any matters reflected in the Survey that Seller is not required to remedy pursuant to Section 6.

6. **TITLE REVIEW.**

a. Promptly after the Effective Date, Buyer shall order a Title Commitment for the Land (the "**Title Commitment**," and the issuer of same, the "**Title Company**") and, at Buyer's option, may also order an ALTA survey (the "**Survey**"). Within five (5) business days after its receipt of the Survey, but in any event prior to the end of the Due Diligence Period (said date, the "**Title Review Date**"), Buyer shall furnish Seller with a written statement of objections, if any, to the title to the Premises, including, without limitation, any objections to any matter shown on the Survey (collectively, "**Objections**"). In the event the Title Company amends or updates the Title Commitment after the Title Review Date (each, a "**Title Commitment Update**"), Buyer shall furnish Seller with a written statement of Objections to any matter first raised in a Title Commitment Update within three (3) business days after its receipt of such Title Commitment Update (each, a "**Title Update Review Period**"). Should Buyer fail to notify Seller in writing of any Objections in the Title Commitment prior to the Title Review Date, or to any matter first disclosed in a Title Commitment Update prior to the expiration of the applicable Title Update Review Period, as applicable, Buyer shall be deemed to have approved such matters which shall be considered to be Permitted Exception.

b. If Seller receives a timely Objection in connection with the Title Commitment and/or a Title Commitment Update and the Survey (each, a "**Buyer's Notice**"), Seller shall have the right, but not the obligation, within five (5) business days after receipt of Buyer's Notice ("**Seller's Response Period**"), to elect to cure or refuse to cure any such matter upon written notice to Buyer ("**Seller's Response**"), and may extend the Closing Date for up to fifteen (15) business days to allow such cure. If Seller does not give any Seller's Response, Seller shall be deemed to have elected not to cure any such Objections.

c. Notwithstanding anything in this Agreement to the contrary, prior to the Closing Date, Seller shall in any event be obligated to cure all of the following matters or items

(collectively, "**Monetary Encumbrances**"): (i) any mortgage or deed of trust liens or security interests against the Premises, in each case granted by Seller (and not tenants of the Premises or other third parties), (ii) real estate tax liens, other than liens for taxes and assessments not yet delinquent, (iii) any matters or items that have been voluntarily placed against the Premises by Seller (and not tenants of the Premises or other third parties) after the Effective Date and that are not otherwise permitted pursuant to the provisions hereof, (iv) any title exception that constitutes a mechanic's lien of record resulting from work that Seller has performed or caused to be performed at the Premises, provided that Seller shall have the right to bond off and remove any such mechanic's lien; and (v) any other monetary lien suffered or incurred by Seller in connection with the Premises. Seller shall be entitled to apply the Purchase Price towards the payment or satisfaction of such liens, and may cure any Objection by causing the Title Company to insure against collection of the same out of the Premises.

d. If Seller elects to cure any Objections, but then willfully or intentionally fails to do so prior to the Closing Date, then Seller shall be in default hereunder and Buyer shall have the remedies set forth in Section 23.b hereof. In the event of such a termination, the Deposit shall be returned to Buyer, and neither party shall have any further rights or obligations hereunder except for the Surviving Obligations. If no such termination notice is timely received by Seller hereunder, Buyer shall be deemed to have waived all such Objections in which event those Objections shall become Permitted Exceptions. If the Closing is not consummated for any reason other than Seller's default hereunder, Buyer shall be responsible for any title or escrow cancellation charges.

Seller hereby consents and authorizes Buyer to make such applications. At time of execution of this Agreement, Seller agrees to execute and deliver to Buyer an authorization allowing Buyer to seek the Permits, said authorization to be in substantially the form attached hereto as **Exhibit H**. Buyer shall deliver to Buyer any applications for Permits concurrently with its submission of same to any governmental authority. Buyer shall update Seller on status regarding Permits promptly upon its receipt of any communication from any governmental authority with respect to same. The Purchase Price shall be reduced by an amount equal to the deductible amount under Seller's insurance policy to the extent Seller has not paid such deductible amount for the repair of such loss or damage prior to Closing. Upon Closing, full risk of loss with respect to the Premises shall pass to Buyer.
- ii. **Major Damage** In the event of a Major Loss, Buyer may terminate this Agreement by written notice to the Seller, in which event the Deposit shall be returned to Buyer, and the parties shall be without further obligations hereunder except for the Surviving Obligations. If Buyer does not elect to terminate this Agreement within ten (10) days after Buyer receives notice of the occurrence of the Major Loss, then Buyer shall be deemed to have elected to proceed with Closing, in which event Seller shall assign to Buyer all of Seller's right, title and interest to any claims and proceeds Seller may have with respect to any condemnation awards relating to the premises in question. Upon Closing, full risk of loss with respect to the Premises shall pass to Buyer. **Definition of Major Loss** For purposes of this Agreement, "**Major Loss**" shall mean any loss due to a

If the amount of said taxes is not known at the time of the delivery of the deed, they shall be apportioned on the basis of the taxes assessed for the preceding fiscal year, with a reapportionment as soon as the new tax rate and valuation can be ascertained; and, if the taxes which are to be apportioned shall thereafter be reduced by abatement, the amount of such abatement, less the reasonable cost of obtaining the same, shall be apportioned between the parties, provided that neither party shall be obligated to institute or prosecute proceedings for an abatement unless herein otherwise agreed.

b. **Closing Costs.** Seller shall pay (i) the fees of any counsel representing Seller in connection with this transaction; and (ii) all Massachusetts documentary stamp taxes payable upon the transfer of the Premises to Buyer; and (iii) one-half (1/2) of the escrow fee charged by Escrow Agent. Any other costs or expenses incident to this transaction and the closing thereof not expressly provided for above shall be allocated between and paid by the parties in accordance with custom and practice in the Commonwealth of Massachusetts.

21. BROKER'S FEE

The Buyer and Seller represent and warrant that they have not dealt with any person or entity in connection with the transaction contemplated hereby who or which would be entitled to a brokerage commission, finder's fee or other similar compensation. The Buyer and Seller shall indemnify, protect and save each other and hold each other forever harmless, from and against, and reimburse either party for, any and all obligations, claims, demands, causes of action, liabilities, losses, damages, judgments, penalties and costs and expenses (including, without limitation, attorneys' fees) which may be imposed upon, asserted against or incurred or paid by either party, or for which either party may become obligated or liable, by reason of, on account of or in connection with a breach of the aforesaid representation and warranty by either party. The aforesaid provisions and warranties of this Section 21 shall survive the delivery of the Deeds or any expiration or termination of this Agreement.

22. DEPOSIT

All Deposits made hereunder shall be held and controlled, as specified in this Agreement, by the Escrow Agent. It is understood and agreed that the Escrow Agent shall promptly, when collected by it, place the Deposit in a non-interest-bearing account at a bank, trust company or institutional depository in Massachusetts. At the Closing hereunder, the Deposit will be credited or paid to Seller and upon the execution hereof Seller will furnish Escrow Agent with Seller's taxpayer identification number(s) for tax reporting purposes. The Escrow Agent will not be liable for any failure of the institution in which the Deposit is being held. In the event of any dispute relating to the right of possession or the disposition of the Deposit, the Escrow Agent will retain dominion and control over the same until such dispute shall have been settled by mutual agreement of Buyer and Seller with notice thereof to Escrow Agent, whereupon the Deposit will be paid over in accordance with such mutual agreement of the parties; or, if such dispute is taken to a court of competent jurisdiction, the Deposit will be paid over into the custody of such court or otherwise paid over in accordance with the final order, decree or judgment of such court. It is contemplated that the Escrow Agent will not incur any cost or expense in the performance of its duties hereunder; and, in the event of a dispute, Escrow Agent shall be reimbursed for its reasonable costs, expenses, attorneys' and paralegals' fees (which shall include attorneys' and paralegals' fees paid by Escrow Agent to its attorney and attorneys' fees charged by the Escrow Agent to the Seller) incurred in connection with such dispute and the settlement thereof, such reimbursement to be made between Buyer and Seller as they may mutually agree incident to the settlement of such dispute; or, if such dispute shall be resolved by a final order, decree or judgment by a court as aforesaid, such reimbursement shall be made by the unsuccessful party in such proceeding. In no event shall Escrow Agent be under any duty to institute or defend any such proceeding nor shall Escrow Agent be required under any circumstances to take any action requested by Seller or Buyer until indemnified to Escrow Agent's reasonable satisfaction by the party or parties requesting such action. Escrow Agent shall not be liable to any party except for actions taken in bad faith.

23. **DEFAULT DAMAGES**

a. If the Buyer shall default in its obligations hereunder and (i) the Seller has performed all of its obligations and is ready and willing and able to perform the remainder of its obligations under this Agreement, and (ii) the Buyer's default resulted in Seller's termination of this Agreement or has caused the Closing not to occur, then the Deposit and the interest earned thereon shall be retained by the Seller and said retention shall constitute the Seller's sole and exclusive remedy, at law and in equity, for the Buyer's breach and as full liquidated damages for such breach in view of the uncertainty and impossibility of ascertaining such damages to the Seller, provided, however, that the foregoing provision shall not be construed to cap Buyer's liability to Seller with respect to any Surviving Obligations. The Seller and the Buyer hereby agree that the aforesaid amount constitutes a reasonable forecast of the damages that would be sustained by the Seller in the event of breach by the Buyer. In such event, the respective obligations contained herein of the Seller to sell and the Buyer to purchase the Premises shall terminate and become null and the Buyer and the Seller shall be released and discharged of all further claims and obligations to each other hereunder, except with respect to the Surviving Obligations.

b. If the sale of the Premises is not consummated due to Seller's default hereunder, then Buyer, as its only remedies hereunder, may either: (i) terminate this Agreement by

written notice to Seller given prior to or on the Closing Date whereupon the Escrow Agent shall pay to the Buyer the Deposit; or (ii) enforce specific performance of Seller's obligations under this Agreement in which event the prevailing party shall be responsible for all attorneys' fees and costs; provided, however, that if Seller willfully and intentionally conveys the Premises to a bona fide third-party buyer or encumbers the Premises in favor of a bona fide third party in a manner the result of which is that specific performance is not an available remedy, then Buyer may recover attorneys' fees as well as Buyer's actual damages, but in no event shall Buyer be entitled to recover special, punitive or consequential damages.

c. If either party hereto exercises any right set forth herein to terminate this Agreement, Buyer shall promptly execute and deliver to Seller an Assignment of Permits in form and substance reasonably satisfactory to Seller, assigning to Seller all of Buyer's right, title and interest in the Permits, and in any plans and specification in Buyer's possession and/or control pertaining to the Project.

24. HAZARDOUS WASTE

Except as may be reflected in the Environmental Reports (as defined in **Exhibit I** hereto), Seller warrants and represents that it has not received written notice from any governmental authority pertaining to violations regarding the release or threat of release of Hazardous Materials on the Premises. Chapter 21C, as amended, and the Massachusetts Oil and Hazardous Material Release Prevention and Response Act, M.G.L. Chapter 21E, as amended, and regulations adopted thereunder and the foregoing are collectively the "Hazardous Waste Laws". In the event that Buyer discovers Hazardous Materials on the Premises in levels that would be reportable under state or federal law, Buyer may terminate this Agreement by written notice delivered to Seller within five (5) days of such discovery, in which event all Deposits shall be returned to the Buyer and the parties shall have no further recourse hereunder except with respect to the Surviving Obligations.

25. ZONING OR REGULATION CHANGE

If prior to Closing, the Commonwealth of Massachusetts or the Town of Stow passes or proposes any changes in its Zoning By-Laws, Subdivision Control Laws, Board of Health regulations or any utility moratorium that materially affects the use of the Premises as contemplated by the Buyer or the obtaining of other necessary governmental licenses, permits and approvals, including if the Town of Stow obtains Safe Harbor Status under 760 CMR 56.03, prior to Buyer's applications for Comprehensive Permits, the Buyer may terminate this Agreement, all Deposits paid hereunder shall forthwith be returned to Buyer, and the parties shall have no further recourse hereunder, except with respect to the Surviving Obligations.

26. SELLER REPRESENTATIONS AND WARRANTIES

- a. The Seller represents and warrants to the Buyer that, as of the date of this Agreement:
 - i. Seller has the legal right, power and authority to enter into this Agreement and at Closing shall have the authority to perform its obligations hereunder;
 - ii. The sale of the Premises does not constitute a sale of all or substantially all of the assets of the Seller;
 - iii. The execution and delivery of this Agreement and the performance by the Seller of its obligations hereunder will not, to the best of the Seller's knowledge, conflict with, or result in a breach of, any of the terms, covenants and provisions of any judgment, writ, injunction, regulation, ruling, directive or decree of any court or governmental authority, or any agreement or instrument to which the Seller is a party or by which the Seller or the Premises is bound;
 - iv. To the Seller's knowledge, there are no pending or contemplated condemnation, eminent domain or similar proceedings with respect to all or any portion of the Premises;

 - vii. The Seller warrants and represents that Seller is not a "foreign person" as defined in I.R.C. Section 1445. The Seller will provide the Settlement Agent with a tax identification or social security number incident to the closing. This warranty shall survive delivery of the deed.
 - viii. The Representations of the Seller set forth in this Section 26a shall be deemed to be remade as of the Closing with the same force and effect as if first made on and as of such date and shall survive the Closing and the delivery of the Deeds for a period of six (6) months (the "**Survival Period**"); provided, however, that (i) any action suit or proceeding with respect to the truth, accuracy or completeness of such representations and warranties shall be commenced, if at all, on or before the date which is six (6) months after the Closing Date, as the case may be, and, if not commenced on or before such date, thereafter such representations and warranties shall be void and of no force or effect. In no event shall Seller have any liability for breach of any representation, warranty, indemnity or covenant set forth in this Agreement or in any closing document in excess of Seventy-Two Thousand Five Hundred and No/100 Dollars (\$72,500.00), in the aggregate. In the event Buyer terminates this Agreement for the reasons set forth above, the Deposit shall be immediately refunded to Buyer and neither Buyer nor Seller shall thereafter have any other rights or remedies hereunder other than the Surviving Obligations.

27. BUYER REPRESENTATIONS AND WARRANTIES

Time is of the essence in the performance of each of the parties' respective obligations contained herein.

40. **ATTORNEYS' FEES**

If either party hereto fails to perform any of its obligations under this Agreement or if any dispute arises between the parties hereto concerning the meaning or interpretation of any provision of this Agreement, whether prior to or after Closing, or if any party defaults in payment of its post-Closing financial obligations under this Agreement, then the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all reasonable, out-of-pocket costs and expenses incurred by the other party on account of such default and/or in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees and disbursements.

41. MEDIATION

If a dispute arises out of or relates to this Agreement, or the breach thereof, and if said dispute cannot be settled through negotiation, the parties agree first to try in good faith to settle the dispute by mediation under the Commercial Mediation Rules of the American Arbitration Association before resorting to arbitration. In the event of any dispute arising out of or relating to this Agreement, either party may initiate mediation upon written notice to the other party ("Notice Date") pursuant to this section, whereupon both parties shall be obligated to engage in a mediation proceeding. The expenses of the mediation shall be borne equally by all of the parties, but each party shall be responsible for its own counsel fees and expenses. In such event, it is recognized by the parties that differences in computer software and hardware may result in the Agreement being printed in two or more different locations resulting in the form of the Agreement being visually dissimilar, though substantively identical. This difference in form shall in no way diminish the validity or enforceability of this Agreement if it has been properly executed by the parties as provided herein. Each party agrees to circulate original execution counterparts of this Agreement to the other party, so that ultimately there will be at least one fully executed original for each party, in form and substance one identical to the other, but failure to do so shall not affect the validity or enforceability of this Agreement, it being expressly agreed that each party to this Agreement shall be bound by its own executed copy. This Agreement may also be executed in any number of counterparts each of which when so executed and delivered shall be deemed an original, but all of which together shall constitute one and the same instrument.

VIII. SURROUNDING AREA

1. Describe the land uses in the surrounding neighborhood: This phase of the project is being built on approximately 35 acres of the North Course and will eliminate nine holes of golf. The remaining nine holes are subject to the Town's purchase and sale agreement with Stow Acres, in which Stow Acres will retain the rights to utilize the remaining nine holes for a period not to exceed nine years. Six existing single-family homes about the golf course in the area of the proposed development; they will remain in place and are not part of this application.

2. What is the prevailing zoning in the surrounding neighborhood?
Residential Zoning requiring 1.5 acres (65,340 sq feet) per lot with a minimum 200 feet of frontage.

3. How does the project's proposed site plan and design relate to the existing development pattern(s) of the immediately surrounding area?
We are creating a new neighborhood within the North Course site that will be set off from existing buildings. As mentioned above, there are six homes currently abutting the golf course; we have established a 50-foot green space as a buffer from the rear of their property lines. Most of the homes are set closer to the street, so the buffer from the actual structures is generally much more than 50 feet.

4. Describe and note distances to nearby amenities and services such as shopping, schools, parks and recreation, or municipal offices.
Route 117 (Main Street – Stow) is located approximately 2 miles away. Here there are stores, services, Town Hall, elementary & middle schools and churches.

5. Explain how developing the site contributes to smart growth development in the area (e.g. mixed use, reuse, concentrated development).
The new community is a concentrated development within a roughly 175 acre parcel which is currently operating as a golf course. The development area is approximately 35 acres, set within a 60 acre parcel which has been designated for housing.

6. Is the site located near public transit (bus, subway, commuter rail, etc.)? If so, indicate the type, distance to the nearest stop, and frequency of service.
Stow is 5.7 miles from the South Acton T station. The Town also has two Micro Transit Pilots underway or in planning, called GO Stow. Currently operating is a subsidized Taxi Rides program offering free rides from qualifying Taxi companies to those in financial need or over 55 years of age. A latent shuttle program in the works for post pandemic life.

IX. FINANCING

1. Attach a letter of interest from a construction lender.

Are there any public funds to be used for this project? If yes, indicate the source, amount, use and status of funds: There are no direct public funds being used to fund the development. The Town of Stow is acquiring the adjacent parcel for open space and has been involved in the planning of the development.

Describe the form of financial surety to be used to secure the completion of cost certification for this project Letter of Credit from Construction Lender.

MCO Cottage Rentals Stow

At

***The Residences at Stow Acres
Stow, MA***

**Marketing and Outreach Plan
Lottery Plan**

Introduction

The Residences at Stow Acres is a new community of which shall include a mix of for sale and rental affordable housing alternatives. This outreach plan is focused on the Rental of 40 detached cottages within the Stow Acres master plan. This plan describes the marketing program and minority outreach for The Residences at Stow affordable homes. There will be 10 affordable 2 & 3 bedroom rental cottages which will be distributed by lottery.

The units will be distributed based upon criteria established by the Department of Housing and Community Development (DHCD) and the Local Initiative Program (LIP). These units will be distributed through Local and Open applicant pools with appropriate outreach to the area's minority population. There will be 6 two bedroom cottages and 4 three bedroom cottages leased to affordable applicants.

The objective of the marketing program is to identify a sufficient pool of applicants for the available, affordable homes. Based upon the lottery results, all applicants would have their proper rank in the appropriate pools. This will enable us to quickly determine who would have the first opportunity for the lease of a cottage.

Potential tenants will not be discriminated against on the basis of race, color, religious creed, marital status, military status, disability, national origin, sex, age, ancestry, sexual preference, source of income, presence of children, or any other basis prohibited by local, state or federal law.

What follows is a list of activities and materials we intend to utilize to assist in our marketing of the homes, processing of the applicants and our attempts to reach out to the local community's minority population.

General Information

The Town of Stow and Stow Acres Residential, LLC have worked together to create the affordable housing opportunity at The Residences at Stow Acres located on Randall Road in Stow, Massachusetts. Located within the overall property will be 40 rental cottages made available to income eligible renters following DHCD's guidelines. The cottages will be leased, by lottery, to households meeting the eligibility requirements and having income at or below 80% of the median income for the Boston – Cambridge- Quincy MA HUD Metro FMR Area, adjusted for household size.

There will be three types of cottages available for rent which shall range in size from 1,224 to 1,364 square feet. There are two styles featuring two bedrooms – one a bungalow all on one level, the second style is located on in a two story cottage. There is one style of the three bedroom cottage which features a master bedroom on the first level. There will be one dedicated parking space for all cottages and additional parking to accommodate a second vehicle for all cottages. Rents (based upon current income levels per DHCD) will range from \$1,999 for a two bedroom cottage and \$2,173 for a three bedroom cottage. Tenants will be responsible for all utilities, pets will be allowed with breed restrictions at rates to be determined and the cottages are smoke free properties.

Stow Acres Residential, LLC will be sponsoring an application process and lottery to rank the eligible program applicants. The application and lottery process as well as the eligibility requirements, are described in this plan. MCO Housing Services, LLC of Harvard, MA, has been hired as their lottery agent. MCO Housing Services, LLC has been providing Lottery Services to area developers and municipalities for over 20 years. Our contact information is:

Applicants must include all required financial documentation with the application to be included in the lottery. The application and the related financial information must be received prior to lottery deadline or have a postmark prior to the lottery deadline to be included.

Applicants who submit an incomplete application will be notified after the application deadline and will NOT be included in the lottery. Applicants who submit an incomplete application will be notified via email, if available, or by letter. The email or letter will include the list of missing documentation. If applicant submits the missing documentation and their application is determined complete *and* they are determined eligible - they would then be added to the waiting list. If units remain after the lottery, the available units would then be offered based on the date applicant was added to the waiting list.

If an applicant is determined ineligible they will have the opportunity to appeal the decision and will be notified in writing, via email or letter, the appeal process and timeframe to appeal.

Marketing and Outreach Plan

Stow is located 27 miles northwest of Boston and 19 miles northeast of Worcester with easy access to Routes 495 and the Mass Pike and Route 290. Application availability and a public information meeting will be announced, with a minimum of two ads over a 60 day period, in the following papers:

Stow Independent
Metrowest Daily News
Hudson Sun/ Marlborough Enterprise

Minority outreach will be conducted through:

Vocero Hipano
Bay State Banner
Sampan
Asemana Newspaper
El Mundo

A listing on the www.massaccesshousingregistry.org and www.massaffordablehomes.org will also announce the lottery and application availability. A posting will be submitted to MetroList. Additionally, a mailing will be sent to local social service and public organizations.

MCO Housing Services, LLC will post the lottery information and application online at www.mcohousingservices.com. Applicants can print an application from www.mcohousingservices.com, can receive by mail by contacting MCO Housing Services, LLC at 978-456-8388 or lotteryinfo@mcohousingservices.com. Applications will also be available for pick-up at the Stow Town Hall or Stow Public Library.

A Public Information Meeting will be scheduled via Zoom where questions regarding program eligibility requirements, preferences for selections and the lottery process will be addressed. For those applicants who are unable to attend the live Zoom, or otherwise want to review, the meeting will be recorded, with those portions not containing unauthorized sensitive personal information and will be available for viewing up to the application deadline, upon request.

A confirmation letter or email will be sent to each eligible applicant stating their lottery code after the application deadline. Lottery codes (as compared to applicant names) will be announced during the lottery drawing to ensure applicants privacy.

Eligibility Requirements

Each lottery applicant must meet the following eligibility requirements:

1. Income cannot exceed the following maximum allowable gross income guidelines, adjusted for household size, (as approved by DHCD) as follows:

Household Size	1	2	3	4	5	6
Max Allowable Income	\$70,750	\$80,850	\$90,950	\$101,050	\$109,150	\$117,250

(Note: This represents 80% of the annual household median income for the area and is subject to adjustments. This assumes a household size of 1-6 people. The income limits are subject to change per DHCD.)

2. For assets over \$5,000, the calculation of income will include an imputation of .06% of the value of total household assets or the actual interest/dividends earned, whichever is greater. For assets \$5,000 or less, the earned interest/dividend will be added to income to determine final eligibility. Assets include checking and savings accounts, investment accounts, CD's retirement, etc.
3. Potential tenants may not own another home, including in a Trust. The affordable unit must be their principal, full-time residence.
4. Persons with disabilities who need the features of the type of accessible or adaptable unit will be given first preference for such units regardless of what pool they are in based on the requested bedroom size. Where a person with a disability is awaiting such a unit with adaptive features and a unit becomes available, the owner/management agent must offer to adapt the unit within reason. Persons with disabilities are entitled to request a reasonable accommodation in rules, policies, practices, or services, or to request a reasonable modification in the housing, when such accommodations or modifications may be necessary to afford persons with disabilities an equal opportunity to use and enjoy the housing.

The lottery application is used to determine income eligibility to have the opportunity to lease an affordable unit. An applicant with an opportunity to lease will also need to complete a Lease Application, through the Leasing Agent, and go through the leasing process as determined by the Leasing Agent. This process may include credit screening, CORI and landlord checks to the extent consistent with DHCD guidance in effect at such time. Attached is a copy of the Commonwealth of Massachusetts CORI which will be used if a CORI check is done. If applicants do not pass the Leasing Office screening, they will not be able to lease a unit.

Annually each affordable tenant will go through an eligibility review. At least 90 days before lease renewal current affordable residents will need to provide updated financial documentation to be reviewed for continued eligibility. Current residents are considered income eligible for an affordable unit as long their household income does not exceed 140% of 80% of AMI or maximum allowable income, adjusted for household size. Annually tenants will be recertified for eligibility. If household income exceeds 140% of 80% of AMI of the maximum allowable income, adjusted for household size, the tenant will no longer be income-eligible and will have the option of paying market rent or vacating the residence at the end of the lease.

Complete financial documentation will be required to participate in the lottery. Applications will be logged in when received. Review of applications will take place after the application deadline. Incomplete applications will not be included in the lottery and the applicant will be notified of what is needed to complete their application after the deadline via email, if available, or by letter. After the lottery, applicants can submit missing documentation or present any mitigating circumstances. If qualified at that time, they can be added to the waiting list. If the lottery list is exhausted the remaining units will be filled by the waiting list based on the date a complete application is received.

Lottery Process and Preferences

MCO Housing Services, LLC will screen all applications. Applicants who submit an application, postmarked on or before the deadline, and are determined eligible will receive a confirmation email with their lottery code. Applicants that are not determined eligible will receive an email or letter notifying them of the decision.

There will be two pools for this lottery, Local and Open. 7 cottages to the Local Pool and 3 cottages to the Open Pool. One unit to be included in each pool.

Local Preference

Upon the initial lease up only, 7 of the 10 available cottages will be offered to applicants who meet one of the following local preference categories:

- Current Stow Resident
- Employed by the Town of Stow, the Stow Public Schools or the Nashoba Regional School District
- Employee working in the Town of Stow or with a bona fide job offer from an employer located in the Town of Stow.
- Parents of children attending the Nashoba Regional School District

Proof of local preference will be required if they have an opportunity to lease and will be verified by the Town.

Household Size

Preference for the three bedroom cottages will be given to households who require three bedrooms. Preference for the two bedroom cottages will go the households requiring two bedrooms.

Cottage size preferences are based on the following:

1. There is a least one occupant per bedroom.
2. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
3. A person described in the first sentence of (2) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and the lottery agent receives reliable medical documentation as to such impact of sharing.
4. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
5. If the applicant is in the process of a divorce or separation, the applicant must provide proof that the divorces or separation has begun or has been finalized, as set forth in the application.

Minority Consideration

If the percentage of minority applicants in the Local Preference Pool is less than the percentage of minorities in the surrounding HUD-defined area, currently 33.4%, a preliminary lottery will be held comprised of all the minority applicants who do not qualify for the Local Preference Pool. These minority applicants would be drawn at random from the general pool until their percentage in the local pool closely approximates the percentage in the surrounding HUD-defined area. Applicants not selected for the local pool would be in the Open pool only. Minority households are identified in accordance with the regulatory classifications established by DHCD.

Lottery Pools

Ten affordable cottages are available by lottery in Stow. Subject to the preceding Minority Consideration provision, the lottery has two pools: Local and Open. You must meet at least one of the Local Preference Criteria to be included in the Local Pool. The Cottage breakdown is as follows:

<u>Unit Size</u>	<u># of Units</u>	<u>Local Pool</u>	<u>Open Pool</u>
Two Bedroom	6	4	2
Three Bedroom	4	3	1

All of the applicants for a given pool will be pulled at the time of the lottery. This will establish the rankings for the distribution of units. This means if you are a two-person household and meet the household size preference above for a two-bedroom cottage and are drawn first in the lottery, you will be offered a two bedroom cottage. If you are a three-person household and by definition require a three bedroom cottage and are drawn first you will be offered a three bedroom cottage. Local Pool applicants will have first selection of the cottage, unless there are no households in the Local Pool that meet the Household Size preference, in which case selection will proceed directly from the Open Pool considering household size preference.

Once the lottery rankings have been determined your information will be forwarded to the Leasing Office for their screening which may include, but is not limited to, credit, CORI, past landlord checks, etc., to the extent consistent with DHCD guidance in place at the time of such determinations. If the Leasing Office determines you are eligible, then you will be offered a cottage.

You need to be determined eligible by MCO Housing Services, LLC and the Leasing Office before you will be offered a cottage. If either MCO Housing Services, LLC or the Leasing Office determines you do not meet their eligibility criteria, then you will not be able to lease a cottage.

If you have a Section 8 or other housing voucher, the Public Housing Authority (PHA) will need to approve the project and rent before you will be able to sign a lease.

Monitoring Agent and Tenant Annual Eligibility Certification

MCO Housing Services, LLC will determine applicants' income eligibility and will conduct the annual tenant eligibility certification.

Rental: Opening Waiting Lists, Re-Marketing or Continuous Marketing

MCO Housing Services, LLC will incorporate the following DHCD guidelines in opening rental waiting lists, re-marketing or continuous marketing for rental cottages located at MCO Cottage Rentals Stow, LLC in Stow, MA.

Although owner/management agent standards for opening waiting lists or re-marketing to generate sufficient applications after the initial rent-up stage may vary, the following are generally applicable: the waiting list is re-opened when it contains less than the number of applicants anticipated to be placed in the next 12 months, or, if the waiting list has not closed, additional marketing is undertaken to generate at least enough applicants as was needed to fill the previous year's vacancies.

a. Minimum Application Period

At such or similar points in time, consistent with a Developer or management agent's policies and practices with respect to marketing and wait lists, when a wait list (whether for a project or a particular unit type) is re-opened or units are remarketed, a minimum application period during which applicants may receive and submit applications is required. The appropriate length of the application period may vary depending on the number of units that are or will become available. In some instances 20 or more business days will be appropriate, but in no event shall the application period be less than 10 business days.

b. "First Come, First Served"

A "first-come, first-serve" method of generating the waiting list order of new applicants that apply during said application period shall not be permitted as it may present an impediment to equal housing opportunity for some applicants, including some applicants with disabilities. Therefore, a random selection or other fair and equitable procedure for purposes of adding persons to a wait list upon opening the wait list or remarketing the units must be utilized, subject to the approval of the Subsidizing Agency. This does not require any changes to the wait list as it exists prior to adding the new applicants. Local Preference does not apply beyond the initial marketing/lease up period.

c. Continuous Marketing/Persons with Disabilities

If the wait list is not closed and marketing is ongoing continuously in order to generate sufficient applicants, then, so as to avoid a disparate impact on persons with disabilities who require a reasonable accommodation with the application process, including additional time to receive, complete and/or submit an application, and who therefore may be disadvantaged by wait list placement based upon the date/time of receipt of the application, the application will be date/time stamped prior to being mailed or otherwise provided to such applicants and upon submission of a complete application the household shall be placed on the wait list based upon such date/time stamp, *provided that* the application is returned or postmarked not more than 30 days of such date/time stamp. The ongoing affirmative and general marketing/outreach materials will contain

language that explicitly gives notice of the availability of reasonable accommodations with respect to the application process and a telephone number for applicants who may want to request a reasonable accommodation and/or assistance with the application process.

Summary

We believe this outreach program will ensure the Town of Stow and the surrounding communities will be notified of the available opportunities and the smooth and fair processing of all potential applicants. It is our intention to work with the Town of Stow to incorporate local requests and ideas.

As authorized representatives of MCO Cottage Rentals Stow, LLC and MCO Housing Services, LLC, respectively, each of us has reviewed this plan and agrees to implement this AFHMP, which shall be made effective as of the approval date. Further, by signing this form, MCO Cottage Rentals Stow, LLC agrees to review and update its AFHMP as necessary in order to comply with all applicable statutes, regulations, executive orders and other binding DHCD requirements pertaining to affirmative fair housing marketing and resident selection plans reasonably related to such statutes, regulations, executive orders, as same may be amended from time to time. We hereby certify that all the information stated herein, as well as any information provided herewith, is true and accurate.

MODEL POLICY REGARDING APPLICANT SCREENING ON THE BASIS OF CRIMINAL RECORDS

Consistent with CORI reform in Massachusetts, to the extent criminal offender record information will be accessed to screen applicants for housing, such access will be utilized for rental or lease of housing only and will generally be limited to: felony convictions for 10 years following the disposition thereof, including termination of any period of incarceration or custody; misdemeanor convictions for 5 years following the disposition thereof, including termination of any period of incarceration or custody; and pending criminal charges as provided under M.G.L. c. 6, § 172 as amended, and implementing regulations at 803 CMR 2.00 et seq. Such limitations will not apply to convictions for murder, voluntary manslaughter, involuntary manslaughter, and sex offenses as defined in M.G.L. c. 6 § 178C that are punishable by a term of incarceration in state prison. Entities that are required to obtain a CORI for the housing or portion of such housing by a statutory or regulatory provision may be eligible to obtain additional CORI information for the housing, or portion of such housing, pursuant to M.G.L. c. 6, § 172 as amended, and implementing regulations at 803 CMR 2.00 et seq.

Where criminal record checks are part of a general background screening of applicants for housing, the following practices and procedures will generally be followed.

- I. All applicants for housing will be notified that a criminal record check will be conducted. If requested, they will be provided with a copy of this applicant screening policy.
- II. An informed review of a criminal record requires adequate training. Accordingly, all personnel authorized to review records of criminal activity in the decision-making process must be thoroughly familiar with criminal records and this applicant screening policy.
- III. Unless otherwise provided by law, a criminal record will not automatically disqualify an applicant. Rather, determinations of suitability based on criminal record checks will be made consistent with this policy. Records of criminal activity not resulting in a conviction (i.e., records of arrests, arraignments, dismissals, etc.) are not reliable evidence of criminal activity and, without more, shall not form the basis of a denial of housing. Records of criminal activity gleaned from newspaper articles or internet searches are not inherently reliable and should not be the sole basis for a denial of housing. Records of convictions obtained from a state agency responsible for maintaining and disseminating criminal records are the most reliable, preferred source of information concerning records of criminal activity. In Massachusetts, those agencies are the Department of Criminal Justice Information Services ("DCJIS") (formerly the Criminal History Systems Board) and the Sex Offender Registry Board.
- IV. If a record of criminal activity is revealed through a background check, the organization's applicant selector will closely compare the record provided by the background check with the identifying information provided by the applicant, to ensure that the record relates to the applicant.
- V. If the (organization name) is inclined to make an adverse decision based on the results of the background check concerning criminal records, the applicant will be notified immediately. The applicant shall be provided with a copy of the criminal record and the organization's applicant screening policy, advised of the part(s) of the record that make the individual unsuitable for housing, and given an opportunity to dispute the accuracy and relevance of the criminal record. If the applicant denies that the record is accurate or that he is the person to

whom it pertains, then the (organization name) shall allow the applicant a reasonable amount of time to seek to have the record corrected.

Local Initiative Program | Local Preference Narrative

Overview

Addressing affordable housing needs is a priority for the Town of Stow. The Local Initiative Applications (LIP) for thirty-one (31) affordable single-family units, ten (10) affordably priced rental units and five (5) affordably priced rental units restricted to adults 62 and older, is a major step toward achieving the housing diversity required under MGL c.40b and the Town of Stow's Housing Production Plan.

The LIP applications include a local preference for the following categories:

- Current Stow resident;
- Employed by the Town of Stow, the Stow Public Schools or the Nashoba Regional School District;
- Employee working in the Town of Stow or within a bona fide job offer from an employer located in the Town of Stow;
- Parents of children attending the Nashoba Regional School District.

In accordance with the Local Initiative Program's categories of Local Preference, this narrative is meant to detail the need for a local preference in Stow, the extent of the affordable units to be established at the Residences at Stow Acres, and the avoidance of any discriminatory effects of a local preference.

Need for a Local Preference in Stow

The U.S. Department of Housing and Urban Development estimates that 450 households in Stow (approximately 19% of total households) earn less than 80% AMI. An additional 9% of households (approximately 220 households) qualify for moderate income housing. While the share of households eligible for affordable housing in Stow is smaller than the share in neighboring communities, Middlesex County, and the state, Stow does not have enough affordable units to house the number of individuals in need. Only 185 units (6.7%) of its 2770¹ housing units are eligible for the SHI. Stow is below the 10% affordable housing standard

established under Chapter 40B, as shown in Table 1 below, dropping even further due to the increased housing units counted in the 2020 Decennial Census.

Using the 2020 census figures, Stow needs an additional 92 SHI- eligible affordable housing units to meet the 10% requirement under MGL c.40b. Although enough data has not been released, Stow's proportion of households eligible for affordable housing will almost certainly outpace current availability. In 2016, approximately 20% of households in Stow met the income eligibility requirements for affordable housing, exposing a potential gap of 13.3% of eligible households paying market rate prices.

The Town of Stow is also concerned with the proportion of cost burdened households. Housing in Stow is of high cost with median home values above both Middlesex County averages and Massachusetts as a whole. And because cost burden is a direct reflection of household income, the impact of cost burden is more acute for lower income households that have fewer financial resources available to meet other necessary household expenses. Between 2008-2012, six hundred (600) households in Stow were either cost burdened or severely cost burdened, with

low income households shown to be more likely to be cost burdened. Table 4 below shows the incidence of cost burdened households across income groups.

Justification for Extent of Local Preference

The proposed Local Initiative Application for the Residences at Stow Acres will create 31 units of deed restricted affordable housing ownership units, 10 deed restricted cottage rental units, and 5 deed restricted rental units for adults over the age of 62 - for a total of 46 SHI eligible housing units. In addition to the above-demonstrated need for affordable housing in Stow, the senior population in Stow requires additional affordable housing opportunities.

Population estimates for Stow suggest that the trend in the growing share of seniors in Stow is likely to become more pronounced in the coming years. By 2030, approximately 30% of households in Stow will be over the age of 65. Below, Table 5 shows that the median age of residents in Stow is older than the median age of the population in the State and in Middlesex County.

Table 5: Median Age of Population

	2000	2010	2009 - 2013
Stow	38.8	43.5	43.5

Estimated population distribution figures, together with data on Stow households suggests that the need for affordable senior housing options is on track to increase. Data also reveals that while the share of households with a person 65 years and older has remained steady in Massachusetts and Middlesex County, the number of households with a resident over the age of 65 has increased by 75% since the year 2000. Figure 2 details the growth of the percentage of Stow's population that is over the age of 55, showing it is anticipated to reach 44.5% of the population by 2030.

Figure 2: Realized and Estimated Age Distribution of the Population

Source: 2000 and 2010 Decennial Census; MAPC population estimates, Stronger Region Scenario

As the share of households headed by seniors is expected to increase in the coming years, a greater percentage of residents will also be living on fixed incomes, including social security, pensions, and other retirement income. The number of households with income from earnings has decreased since the year 2000, while the number of households with income from social security and retirement has increased.

Avoiding Potential Discriminatory Effects

The Town of Stow has a detailed plan regarding selection criteria for affordable housing units. This document details the lottery process to be conducted by the monitoring agent. Prior to the lottery drawing, applicants will be divided into applicant pools by Stow resident status and annual household income.

In order to comply with DHCD regulations, if the percentage of minority applicants in the local preference pool is less than the percentage of minorities in the surrounding HUD-defined area, the local preference pool will be adjusted to the percentage of minorities in the surrounding HUD-defined area, by adding the required number of minority applicants to achieve the appropriate representation. If the number of qualified minority applicants is a percentage that is less than the percentage of minorities in the HUD-defined area, the allocation will be done on a pro-rata basis. At the close of the advertising period, a pre-lottery will be conducted in the presence of Stow town officials to ensure that the number of minority applications which will be entered in the local preference pool comply with this regulation.

The lottery will not be advertised in a way that discourages applications from households that do not qualify for a local preference. The lottery described in the Affirmative Fair Market Housing Plan details the location of advertisements and notices, stating that the advertising

efforts should provide maximum opportunity for minority households to apply for the lottery. No local preference information will be included in the advertisements.

Conclusion

Demographic projections in Stow reveal significant increases in the need for affordable housing for residents. As the Town works to strengthen its supply of deed restricted units through recommendations outlined in the Housing Production Plan, local preference used in creating affordable housing units through the Comprehensive Permit process remains a reliable option for creating quality affordable housing for those at all age and income brackets.

AFFORDABLE HOMES through the LIP Comprehensive Permit Program Question & Answer

What are the qualifications required for Prospective Tenants?

- Qualify based on the following maximum income table, which is adjusted for household size:

Household Size	1	2	3	4	5	6
Max Gross Allowable Income	\$70,750	\$80,850	\$90,950	\$101,050	\$109,150	\$117,250

LOTTERY APPLICANT QUALIFICATIONS:

1. Household income cannot exceed the above maximum gross allowable income limits. Income for adults 18 or older is required.
2. When assets total \$5,000 or less, the actual interest/dividend income earned is included in the annual income OR when assets exceed \$5,000, annual income includes the greater of actual income from assets or a .06% imputed income calculation. Assets divested at less than full market value within two years of application will be counted at full market value when determining eligibility.
3. In addition to income and asset eligibility you will also be subject to a screening by the project and determined eligible based on that basis.
4. Applicants may not own a home and lease an affordable unit, including homes in a trust.
5. Persons with disabilities will be given first preference for such units regardless of what pool they are in based on the requested bedroom size. Where a person with a disability is awaiting an accessible unit and a unit with adaptive features becomes available, the owner/management agent must offer to adapt the unit.

Are there units available for Local Preferences?

Yes, subject to certain fair housing and household size limitations herein, the initial occupancies of up to 7 cottages are given preference for households who meet at least one of the Local Preference Criteria as stated in the application.

Are there Group 2 units?

All cottages are intended to be adaptable. None of the units are Group 2 or wheelchair accessible. The units can be adapted to satisfy a reasonable accommodation request. Persons with disabilities are entitled to request a reasonable accommodation in rules, policies, practices, or services, or to request a reasonable modification in the housing, when such accommodations or modifications may be necessary to afford persons with disabilities an equal opportunity to use and enjoy the housing. Such reasonable accommodation is not limited to Group 2 units. The request for a reasonable accommodation must be made at time of initial lottery application with the required documentation, i.e. letter from doctor.

Are there preferences for Household Size?

Preference for the two bedrooms will be for households requiring two bedrooms. Preference for the three bedroom units will be for households requiring three bedroom.

Household Size Preferences are based on the following:

1. There is a least one occupant per bedroom.
2. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
3. A person described in the first sentence of (2) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and the lottery agent receives reliable medical documentation as to such impact of sharing.

4. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.

Are there considerations for minorities?

If the percentage of minority applicants in the Local Preference Pool is less than the percentage of minorities in the Surrounding HUD-defined area, currently 33.4%, a preliminary lottery will be held comprised of all the minority applicants who do not qualify for the Local Preference Pool. Minority applicants not otherwise qualifying for the Local Preference Pool would be drawn at random from the Open Pool until the percentage of minorities in the Local Pool is no longer below the percentage of minorities in the surrounding HUD-defined area. Applicants not selected for the Local Preference Pool would be in the Open Pool only.

What happens if my household income exceeds the income limit after occupying the cottage?

Annually you will be recertified for eligibility. Once your household income exceeds 140% of the maximum allowable income adjusted for household size, then after the end of your current lease you will have the option of staying in your unit and paying the market rent or not renewing your lease.

Lottery Process

Due to the nature of the affordable units' availability, it is important for everyone to understand the procedure. Please understand the allowable income guidelines are adjusted based upon your household size. Also be advised that the program and its requirements are subject to changes in state or federal regulations.

Lottery Pools

Ten (10) affordable units are available by lottery at MCO Cottage Rentals in Stow. The lottery will have two pools: Local Preference and Open. You must meet at least one of the Local Preference Criteria to be included in the Local Pool. The units' breakdown as follows:

Unit Size	# of Units	Local Pool	Open Pool
Two Bedroom	6	4	2
Three Bedroom	4	3	1

All of the applicants for a given pool will be pulled at the time of the lottery. This will establish the rankings for the distribution of units. This means if you are a two-person household and meet the Household Size Preference (see Page 4) for a two-bedroom unit and are drawn first in the lottery, you will be offered a two-bedroom unit. If you are a three-person household and meet the Household Size Preference for a three-bedroom unit and are drawn first, you will be offered a three-bedroom unit. This process will be identical for both the Local Preference Pool and Open Pool and will be used until all units are leased or until the lottery list is exhausted. Applicants in the Local Preference Pool will select units first then the Open Pool applicants.

Please note: Household size preference will override local preference. This means if we exhaust the applicants in the local pool that require two-bedroom units we will move to the open pool for households requiring two bedrooms. Household size shall not exceed, nor may the maximum allowable household size be more restrictive than, State Sanitary Code requirements for occupancy of a unit (See 105 CMR 400). Applicants will not be approved for units larger than their household size allows.

Once the lottery rankings have been determined your information will be forwarded to the Leasing Office for credit and background checks to the extent permitted by DHCD guidance in effect at the time of your application. If the Leasing Office determines you are eligible then you will be offered a unit. There will be established policies regarding security deposits prior to the lottery.

You need to be determined eligible by MCO Housing Services, LLC, the Leasing Office, and if you have a Section 8 or other housing voucher, your Public Housing Authority (PHA). If the PHA determines you or the project do not meet the eligibility criteria, then you will not be able to lease a cottage.

If there are lottery applicants remaining once the affordable cottages are leased then, based on the order in which such applicant were drawn from the Open Pool and subject to any applicable preferences for accessible units and household size, MCO Housing Services, LLC will establish a waiting list for future vacancies. Local preference will not be applied beyond the initial marketing and lease up.

Time Frames

If you are selected and have the opportunity to lease a cottage you will speak or meet with a representative to review your application to verify all information. Please be advised that the official income verification will be done at the time you have an opportunity to lease. Also understand you need to be income and asset eligible but will also, at minimum, be subject to a credit screening, landlord screening, employment verification, criminal background and CORI checks by the project and determined eligible or ineligible on that basis to the extent consistent with DHCD guidance in effect at the time of such determination.

Acceptance of Units

The initial lottery “winners” may have a choice of the appropriately sized available affordable units. Local Preference Pool applicants will select units first and then the Open Pool applicants will select. Post lottery each applicant will need to meet with the Leasing Office and complete their screening by the deadline provided. If you miss the deadline, we will move to the next applicant waiting for a unit and you may lose the opportunity to lease.
